

Horticulturist – Second Assistant Superintendent: Oak Hills Country Club

Property Description: Oak Hills is an 18-hole private Country Club. In 2006 and 2017, the course underwent major improvements including: fumigation and re-grassing all greens to A-4 bent grass, conversion of all fairways and tees to L-93 bent grass, reconstruction of 7 green complexes, new bunkers, irrigation, cart paths and drainage. Currently we are working with a landscape architect firm to create a masterplan for the property and will implement designs starting in 2020.

Job Description: The Horticulturist – Second Assistant Superintendent will work closely with the Director of Grounds to satisfy all aspects of landscape management and golf course maintenance to include: working with the landscape architect, assisting and managing all landscape installations, manage and oversee the club house, pool and tennis court grounds, all landscape areas throughout the golf course, assist in all aspects in golf course maintenance, when time allows and much more. The successful candidate will be a positive and energetic Horticulturist – Second Assistant to assist the Director of Grounds to provide the membership the highest quality golf course and landscape conditions. The new candidate will be challenged on multiple levels to succeed and to advance in this profession.

Requirements: Graduate of a 2-year horticulture certificate or a bachelor's degree in horticulture science or related fields. This can be a full-time position, seasonal or as a summer internship. A current pesticide license and a valid driver's license is required.

Compensation: \$17 - \$19 hourly wage with approximately 100 hours overtime. Compensation will be based on experience. We offer medical and dental benefits, 401K plan, paid personal time off, uniforms, golfing privileges, dues paid for state associations, local seminars and conventions to the full-time position.
