

Equipment Manager

Oak Hills Country Club is a private 18-hole golf course seeking an Equipment Manager who is self-motivated and experienced in all phases of golf course equipment repairs and maintenance. Oak Hills is currently leasing 3- and 5-year John Deere rotary and reel mowing fleet.

Education: High School Diploma. Technical training / degree preferred.

Requirements: Experience in golf course equipment repairs and maintenance or an automotive repair background. Management will train in areas as needed.

Duties: Reports directly to the Director of Grounds and the Golf Course Superintendent. Under their supervision, the equipment manager will keep all the equipment repaired and operating safely and efficiently. Duties required but not limited to the following:

- Knowledge of all aspects of turf equipment and repairs.
- Grinding of bed knives and reel sharpening
- Experience in trouble shooting and repairing diesel and gas engines, electrical and hydraulic systems.
- Welding skills preferred
- Ability to lift and carry 50 pounds
- Must have preventive maintenance skills along with maintaining daily records of repairs.
- Aids in training all employees in the proper and safe use of mechanical equipment.
- Maintain a clean and safe working station.
- Have a valid driver's license
- Must be willing to assist in golf course maintenance 10 – 20% of the time.

Compensation: \$25 - \$30 per hour. Overtime may be required during peak maintenance times, medical and dental benefits, 401k, paid personal time off, holiday pay, uniforms and local seminars and conventions.

Application Deadline: Open until filled

Position available: February 2022

Email Resumes to: Director of Grounds- Dan Maddox at danm@oakhillsomaha.com and Golf Course Superintendent-Andy Rhylander at andy@oakhillsomaha.com
