INCLEMENT WEATHER SCHEDULE

MORNING RECESS

All teachers will escort their student to the cafeteria on inclement weather days at their regular recess time. A noon-duty aide will escort the students back to class at the end of the recess.

LUNCH SCHEDULE

All teachers will escort their students to the cafeteria on “inclement weather” days. At the end of the half-hour lunch period, a noon-duty aide will escort students back to their classroom and turn them over to the classroom teacher. An aide cannot leave a group of students unattended, so teachers need to be sure they get back to their classrooms on time.
