

Miss Christensen's Supply List, 2021-2022

Supplies to bring to School in your Backpack on the first day:

1. Sharpened pencils ("fat," beginners' pencils preferred.)
2. Pencil Eraser
3. Scissors
4. Whiteboard Markers, black (easiest to read and erase)
5. Glue Sticks

****Optional- personal size hand sanitizer and tissue pack**

I will provide these items to use at school: a pencil box, a box of crayons, and a white board with eraser.

PLEASE, Do Not bring markers or colored pencils to school.

For completing Homework, you will need pencils, erasers, crayons, scissors, and glue sticks in a box or container for easy access.

You will also need some primary- lined writing paper * (with dashed midlines), a binder or sturdy folder (to keep at home for sight words), and a few Ziploc- type bags.

* Various styles of printable paper available online.

Thank you for your help! kchristensen@heluesd.org
