School on Monday, October 18, 2021

Yes! We do have school on Monday, **Oct 18, 2021** If you keep your child home to protest the vaccine mandate you actually are helping the state because they won't have to pay the school for your child's education on the 18th. In lieu of missing school, write a letter or protest to the governor.

Health and Safety COVID Testing

October 18, 2021 all non vaccinated volunteers who were not tested at HELUS today, may bring negative test results to the school office prior to going anywhere else on campus. HELUS is offering weekly testing on Thursdays 11-12:30.
