## **Robotics**

The MounTECH Lions Robotics Team did an amazing job this season and worked so hard to accomplish their goals. They made it to the semi-finals and finished in 8th place out of 25 teams. We want to thank all the parents who came to the meets and generously donated donuts :) and their time in order to help the team. We also want to thank Jonathon for providing us with donated robotics parts and being our mentor, Mrs. LaFayette for coming to all our meets and supporting us, and Mr. and Mrs.

Baxter for buying lunch at the last meet.

## **Student Council News**

Student Council: Taco family lunch flyers went home this week. Please make sure that you return the bottom portion of the flyer no later than February 14th if your child and/or yourself plan have having tacos that day.
