Student Vaccines

Earlier this week, the U.S. Food & Drug Administration (FDA) authorized the COVID-19 vaccine for **adolescents 12 to 15** years of age. Beginning Thursday, May 13, Los Angeles County vaccination providers will begin offering the Pfizer vaccine for this age group at vaccination sites that offer the Pfizer vaccine. Teens should be accompanied by a parent, guardian, or responsible adult, and present a photo ID and verification of age. On **Tuesday, May 18 at 6 p.m.**, the **Los Angeles County Department of Public Health will hold a Vaccine Town Hall for Parents** to provide the latest update on COVID-19 vaccines, including information for children. You can watch by clicking on either of these links [YouTube](#) or [Facebook](#).
