### **Student SSID#, State Testing 3rd Grade - 8th Grade**

Student's SSID (State Student Identifier) numbers have been distributed. If you did not pick up the envelope at HELUS, they were mailed so check your mailbox. If you don't receive the envelope in the mail by Tuesday, please come by the school for your child's number. Your child's teacher will share his/her testing schedule. Grades 5th & 8th take the California Science Test (CAST). Grades 3rd - 8th take the California Assessment of Student Performance and Progress (CAASPP) in English Language Arts (ELA) and Mathematics. These tests are very important for your child academically. Please be sure your child is well rested and eats a good breakfast to support doing his/her best on the test.

### **YEAR BOOK PreSale Closed**

Yearbook pre sale orders have ended, but don't fear you can still get your copy. The yearbooks will be available for purchase again at the beginning of June. When they arrive they will be sold in the school office on a first come first serve basis. You will be able to purchase your yearbook for \$20 with cash or check. Stay tuned to the Lion's Roar for updates.
