## A New Way of Learning

Distance Learning (DL) and Independent Study Homeschooling (ISH) are both new ways of learning and teaching. We are all in this together. The saying *it takes a village to raise a child* really applies to our new way of learning. Partnerships have formed between parents and teachers to educate our children. Parents are to be applauded for maneuvering the technology, managing schedules and seeing that their child/ren are logged on and paying attention. Our teachers are **amazing** and have stepped up to the challenge of teaching live, online. As part of our continuous improvement, we'd like your input on the first two weeks of school. Here is a link to a survey on the first two weeks of school. <https://forms.gle/Vwf2nvkdEBHz66S9>. Please complete the survey by 6:00 PM, Friday, September 11, 2020.
