## SUPPLEMENT

### SONGS AND SCONES

Photographs from the successful launch of Songs and Scones at St Mary's Donyatt.

The wonderful weather allowed the event to take place outside.

#### A WORD FROM OUR VICAR

It's hot out there but we are having an amazing month in and around the church. The fete was a huge success as was our debut of 'Songs and Scones' performed and enjoyed out in the open but in the shade of the church Yews. We now look forward to baptisms and weddings booked in over the coming weeks.

Thank you Donyatt for your ongoing support!

God Bless - Revd Philip.

### CHURCH SUMMER FETE

We all had a wonderful time at Park Manor on the 5th July, thanks to Robert Doak once again allowing us to use his garden.

Thank you to all those who shared their photos of everyone enjoying this special event - very much appreciated.

A lovely family atmosphere and enjoyment was had by all.

Thank you to Robert, Minky and all the volunteers for once again making this event a great success enjoyed by all.

We were able to raise £2475 for the Church which keeps the Church open for you all, whether for baptism, weddings, funerals or services.

Thank you for supporting us, as we support you for your requirements and use of the Church.

Any ideas for future fetes would be good to know, whether it be games, stalls or other entertainment.

Thank you all.
