BOARD CERTIFIED FAMILY PRACTICE

December 30, 2022

Dear Patients:

After months of contemplation, I have made the bittersweet decision to leave Precision Family Medicine. Nearly ten years ago I was privileged to be offered a position to join an amazing practice that was willing to take on a new graduate from Nebraska which has molded me into the provider I am today.

I will be moving back to my home state of Nebraska with my husband and children to be closer to our families. I have accepted a position at a family practice where I hope to continue building patient relationships while serving health care needs.

As of January 1, 2023, the remaining providers in the office will be available to assist with further patient care and provider transitions. They are providers I respect greatly and trust to leave my patients future care to.

I greatly appreciate you trusting me with your health care and will cherish all the memories I have made at Precision Family Medicine.

Sincerely,

A handwritten signature in black ink that reads "M. Babl". The signature is fluid and cursive, with the first letter of each name being capitalized and prominent.

Molly R. Babl, PA-C
