

## Notice of Updated Self-Pay Pricing for Office Visits

At Precision Family Medicine, our priority is to provide high-quality, patient-centered care in a supportive and welcoming environment. In order to continue offering the level of service you expect and deserve, we periodically review our pricing structure to reflect rising healthcare and operational costs.

After careful consideration, we will be updating our self-pay rates for office visits effective **January 2<sup>nd</sup>, 2026**.

### **Updated Self-Pay Rates**

- New Patient Get Established Visit: \$125 (lab work, immunizations, injections & testing not included)
- New Patient Annual Wellness Visit: \$140 (lab work, immunizations, injections & testing not included)
  
- Established Patient Visit: \$95 (lab work, immunizations, injections & testing not included)
- Established Patient Annual Wellness Visit: \$125 (lab work, immunizations, injections & testing not included)

We understand that any change in pricing can raise questions. Please know this decision allows us to invest in advanced medical equipment, supplies and technology, while continuing to provide personalized care from our highly trained clinical team.

If you have concerns about costs our front office staff is always available to help. We remain committed to transparent pricing and ensuring patients receive the care they need.

Thank you for trusting Precision Family Medicine with your health. We value every patient and appreciate your understanding and continued support.
