LESSONS: YOUTH ACTIVITIES

Our lesson is designed for beginners, so you don't need any prior knowledge of the guitar.

Families are welcome to attend the 4th Annual Youth Activities program, which includes guitar lessons by Mike Campanelli of Delco Guitar Academy for various skill levels. The program is designed to promote creativity, teamwork, and community spirit among young people, leading up to a recital. In this inclusive setting, children are encouraged to discover new interests while providing families with opportunities to bond and create lasting memories. All grand/kinship youth must be registered for this event by 7/3/24. A contract will need to be signed, committing to attending 6 out of the 8 classes and the recital.
