From the 3rd Precinct

Hello from the Affton Southwest Precinct,

First, we want to thank you all for your continued support. Our officers assigned to both the Affton Southwest and South County Precincts are very lucky to have a passionate and dedicated organization that just wants to support our Officers! You do this in so many ways, and our Officers appreciate you with your time and efforts.

Affton Southwest Officers really want to thank you for hosting the BBQ for them on Wednesday, June 19, 2024. We want to thank those that volunteered the whole day to cook for both the day shift and night shifts, along with the donated sides and treats that were provided. Please realize that these types of events help build up our Officer's morale, knowing there are citizens out there that do appreciate their hard work.

We also hosted "CPAAA Night at the Precinct" on June 10, 2024. Over 45 members of CPAAA showed up and were able to tour our new Precinct building that we are very proud of. I enjoyed walking through with the members and answering questions. We snapped a quick photo in front of the station:

We are excited to announce we will be hosting the upcoming Citizens Police Academy at the new Affton Southwest Precinct. The Academy will be hosted on Tuesday nights, starting September 24, and going every Tuesday in October, ending October 29, 2024. Please spread the word and let's fill up our Community Room with some new faces!

Remember to stay safe, hydrated during these hot days, and do not hesitate to contact us. Thank you so much for your continued support!

From the 4th Precinct

Hello CPAAA,

Hope everyone is doing well! I am excited to announce an important leadership change within the 4th Precinct. Captain Schneider has been promoted to the rank of Lieutenant Colonel, and we are welcoming Captain Brian Schellman as our new Commander.

Colonel Schneider's dedication, service, and leadership has been significant in the success of the 4th Precinct. His vision for the Precinct has resulted in an overall reduction in crime and his focus on community engagement strengthened our relationship with South County residents and businesses.

I know personally from these past two years as a NPO and CPAAA liaison, Colonel Schneider is truly valued and appreciates every member of the CPAAA for their support of the 3rd and 4th Precincts, and entire St. Louis County Police Dept.

Colonel Schneider will bring his expertise to a broader range of responsibilities, overseeing the entire Division of Patrol, which includes all Precincts and contract municipalities. We are extremely proud of his achievements and wish him continued success in his new role.

With Colonel Schneider's promotion, we are excited to welcome Captain Schellman to our Precinct. He joined the Department in 2003. He previously served in the South County Precinct, the Affton-Southwest Precinct, the Criminal Intelligence Unit, the Public Information Office, the Tactical Operations Unit, Central County Precinct and the Bureau of Research and Analysis.

Captain Schellman earned a Bachelor's Degree in Communications from Fontbonne University. Captain Schellman is eager to get to know the Officers in the 4th Precinct, as well as the community leaders, organizations and business leaders. He is looking forward to working with the CPAAA and is excited to meet all the members.

Having known Captain Schellman for several years, I can say with confidence he is very well respected throughout the department and understands the importance of community engagements and maintaining those community business relationships. South County residents are extremely lucky to have another strong Commander to lead the 4th Precinct.
