Dear CAAAA Members,

Happy Spring! Now that things are warming up, we can come out of hibernation and take part in our annual Precinct BBQs held for our Officers each June. These events are always a great time and give us an opportunity to show our appreciation for our Police Officers.

We are also looking forward to supporting the annual "Cop on a Rooftop" event on Friday, May 15, which benefits the Special Olympics and our County Police. Make plans to join in the fun and stop by the Dunkin' Donuts at 4220 Telegraph Road, located next to Andre's Banquet Center. Not only is this a worthwhile cause, but it also helps our Officers win their friendly competition with other Precincts. Please stop by and donate!

Looking forward to seeing you all again at our General Meeting this coming Thursday, May 14 at 6:30 p.m.

Larry McDaniel

President of the CAAAA South Chapter

From the 3rd Precinct

Hello All,

Springtime is upon us! With warmer weather, Police are reminding drivers that more children are outdoors in neighborhoods, near streets and on sidewalks. It is critical for drivers to always stay alert as kids can be unpredictable and may suddenly run into the road.

Drivers be aware that in the state of Missouri, it is illegal to hold or use a cell phone in your hand while driving. You can still use your phone hands-free such as Bluetooth through your car system, speakerphone, or voice commands. Distracted driving puts everyone at risk. Please slow down and always keep your eyes on the road.

If you have traffic concerns in your neighborhood, please reach out to the Affton Southwest Precinct NPO at PCT3NPO@stlouiscountymo.gov.

Silvers Gala South

Thank you to the St. Louis County Community Outreach Unit for hosting the Silvers Gala for their South County friends. Some of our CPAAA Members attended this wonderful event at Andre's South. Great food, great laughs and great dance moves! Fun was had by all!

From the 4th Precinct

Hello CPAAA,

I hope everyone is doing well. We are finally getting some consistently warm weather and longer days, which is always a welcome change.

We have some important updates within the St. Louis County Police Department regarding our leadership. Chief Gregory announced his retirement, effective May 1, 2026, and Deputy Chief Juan Cox has been named interim Chief of Police. Chief Gregory has served this Department for 46 years and we are sincerely grateful for his dedication and leadership throughout his career. Chief Gregory has always been so supportive and appreciative of the work the CPAAA does for the Police Department and Officers.

We also have some important updates within the 4th Precinct regarding our leadership. Captain Schellman has been assigned to oversee the Bureau of Tactical Support and Captain Roediger has taken the helm as Commander of the 4th Precinct. Captain Schellman sends his praises to all of you and sincerely enjoyed being a part of the association during his time in the precinct. Captain Roediger, who many of you may remember from his time in the 4th Precinct as a Sergeant and Lieutenant, is excited to be back as Captain, and is looking forward to seeing everyone and meeting new members.

With the warmer weather, more people are out and about, which means more people on the road speeding. As some of you may have seen, we have had a couple vehicle accidents on Telegraph Rd. and on Kingston Rd. make the news. Due to the increase in accidents along that stretch of roadway, police presence has been increased, and speeding vehicles are being stopped and citations are being issued. Digital speed signs have also been deployed to the area. We are hopeful that strict enforcement of speed limits will reduce accidents and reckless driving.

NPO officers are keeping busy with various events in the community. We have had the pleasure of attending a Special Olympics event hosted by Mehlville High School, the DEA "National Drug Take Back Day" and the "Silvers Gala". Many more events are scheduled for this summer, which we are looking forward to! See you all at the May meeting!

CPAAA MERCHANDISE

We are currently in the process of switching embroidery companies. They will be able to accommodate smaller orders in a timely manner.

Also, The Needhams are stepping down as our CPAAA Merchandise Coordinators.

Thank you, Bob and Sharon, for your years of service!

Information regarding the new merchandise company and coordinators will be forthcoming.

National DEA Takeback was held on April 25. It is an event held at various County Precincts to collect unneeded, expired prescriptions for safe disposal. Too often, unused prescription drugs find their way into the wrong hands, which can be dangerous and often tragic.

Kudos to our 3rd and 4th Precincts!
