Hello CPAAA Members,

We hope all CPAAA members have been staying safe and enjoying this nice hot summer weather!

Once the calendar turned to June, all the local schools went on summer break, which meant our School Resource Officers went back to our Precinct beats to assist with patrol. This was a big help during the summer months because the School Resource Officers provided a boost in staffing, especially during months when officers like to take vacations with their families and friends.

On June 25th, the Affton Southwest Precinct Officers enjoyed a fantastic BBQ provided by you, members of the CPAAA. Police Officers and Personnel, on both the day shift and night shift, came into the Precinct and grabbed a pork steak or bratwurst, along with some delicious sides and desserts. We all appreciated this great meal from your organization. There was even enough food leftover for some officers the next day as well!

The planning and preparation for the Affton Days Parade has already begun. The parade is scheduled for Saturday, September 20, 2025, and will start at 10:00 a.m. at Affton High School. The parade will end at Bayless High School. We may have opportunities to volunteer this year to assist the police department with the parade, so please pay attention to your emails!

We hope everyone continues to stay safe and we look forward to seeing everyone at the next General Membership meeting on August 14th!

From the 4th Precinct

Hello All,

I hope everyone is having a good summer, and like usual, it has gone by way too fast! I'm sure everyone is ready for some cooler temps, though. Especially after those extreme heat waves we had recently.

During these summer months, it is typical for our call volume to increase a bit. There are many reasons for the increase in calls, such as more people travelling on the roads to and from summer activities or vacations, which can result in an increase in traffic accidents. More people attending parties or hanging out at the local tavern, which can result in an increase in disturbances, DWI's, and accidental injuries. Even those extreme heat waves we get in the summer can cause irritability and tempers to flare in some people, leading to peace disturbances and sometimes even assaults.

With the increase in calls, we can still maintain the same level of service. One way we are able to maintain the same level of service is with the help of our awesome School Resource Officers (SRO's). During the summer months, SRO's help supplement patrol duties while school is out, which is always much appreciated. Another way is because we have an awesome CPAAA chapter who generously BBQs for us every summer.

All the Officers who were working on the day of the BBQ were extremely thankful to the CPAAA members who braved the heat to provide delicious food and desserts. These kinds of gestures really help improve morale and show firsthand the support we receive from the community.

Officer Kappler, Officer Vineyard and I have had the pleasure of attending many community events over the past few months. Just to name a few, we assisted with Cop on a Rooftop for Special Olympics, Flag Day ceremony at Oakville Elks Lodge, multiple school picnic parades, touch-a-truck, precinct tours, National Night Out, and neighborhood association meetings. It is always rewarding being able to interact with the community at these events.

We look forward to seeing everyone at the upcoming General Meeting. As always, we thank you for your continued support!
