

Referral Form for Assistance

We KARE by ... Making a Difference!

Our mission and ultimate goal as a non-profit organization is to and provide resources to help economically, socially, financially spiritually to those in need. Our agency provides assistance and relief to individuals with temporary situations due to severe medical conditions/illness, hardship, tragedy or devastation.

- Our emergency relief assistance program provides resources, referrals, aid and support for eligible recipients based on temporary situations. Services provided regardless of race, gender, religion, color, age, marital status, sexual orientation, diagnosis, medical condition, or national origin.
- When requesting assistance, you must provide proof of Nevada residency and Photo identification.
- If you are experiencing a hardship, less fortunate, underprivileged or deprived and need assistance for a valid emergency, requests are reviewed on case-by-case circumstances. Request for assistance must also fall within the mission of Memra's emergency relief charity policy. (Education, Medical, Social and Financial). (Discount Services, Charitable, Rental or by an Affordable Donation).
- Requests for assistance must be a referral by a licensed professional, such as a case manager, physician, social worker, or a representative from an approved local business, state or government agency. If eligible for charitable assistance, items are approved for pick-up based on availability.
- For clients request please send form by **fax and include all supporting documents**. Incomplete form or documents not provided, your request will not be processed. Please contact Rosalind or Sonja at MEMRA | Relief ▪ Resource ▪ Restore Center with questions or concerns.

Memra is; knowing you can make things different by having the knowledge to accomplish something that makes a difference!
