

Professional Consulting

We are a team of experienced consultants and coaches who help businesses thrive when it comes to people and practices.

We have over 15 years of experience working with leaders, teams, and individual contributors.

Whether you require 1-1 leadership coaching or need to establish effective team communication, T. Channell can help

Our **Leadership Effectiveness and Accountability** coaching will enhance leaders ability to establish and sustain positive work relationships while motivating their teams and emphasizing accountability.

We conduct culture assessments to enhance **Team Cohesion and Communication** where all feel valued and comfortable engaging and sharing ideas and diverse perspectives.

Through our **Productivity and Efficiency** evaluations will assist in streamlining processes so everyone can “work smarter, not harder.”
