# How to Use to the ABDI Gate Entry System

## Laptop or Desktop

1

Navigate to the ABD home page at:

- [www.gateaccess.net](http://www.gateaccess.net)

Log-in to your account on the ABDI home screen:

- Use the first dropdown menu to find “MHCC” which is the link for our community
- Type in your username, which is the phone number associated with your account. Type it in with no spaces or dashes.

Type in your password, which is the 4- or 5-digit PIN that will be assigned to you.

The screenshot shows the GATEACCESS.NET login page. At the top, there is a header with 'GATEACCESS.NET' on the left and the ABDI logo on the right. Below the header is a large area with a repeating 'ABDI' watermark. In the center, there is a login form titled 'Login to GateAccess.net'. The form contains a 'Community Code' dropdown menu (with a blue arrow icon), a 'Username' text input field, a 'Password' text input field, and a 'Login' button at the bottom. A red circle is drawn around the entire login form area.

2.

Click on the horizontal tabs to review and confirm your information, e.g.,

- Guest list
- Profile information
- Vehicles

Add new guests in the Guest List tab area.

The screenshot shows the GATEACCESS.NET dashboard. At the top, there is a header with 'GATEACCESS.NET' on the left and the ABDI logo on the right. Below the header is a horizontal navigation bar with several tabs: Overview, Contact Info, Guest List, Entry Logs, Emergency Contacts, Vacation Notification, Pets Information, Vehicles, Login Information, and Vendors. A red circle is drawn around the 'Guest List' tab. Below the navigation bar, there is a section titled 'Website Overview' with a welcome message and instructions. At the bottom, there are two sections: 'Community News' and 'Community Directory', both showing 'No data to display'.

## Call the Service Center

- Call the gate service center at 760-548-3485
- Leave a message with the details of your arriving guest (e.g., name, day, time) and your PIN code. You need the PIN code for calling-in guests with the service center.
- If you have guests arriving at Mission Hills before you receive your PIN code to set up ABDI, call the Mission Hills Drive Gate directly to have the guard log in your guest ahead of time. The direct line to the Mission Hills Gate is (760) 202-4406. This will be a viable option during the transition period until you set up your PIN.
