

BCTCEA General Membership Meeting

Date: *Wednesday, August 21st, 2024*

Start Time: 3:03pm

End Time: 3:22pm

Mike Stein, BCTCEA president started the meeting by welcoming all the members.

***Treasurer's Report:** stated by Mr. John Leinbach, BCTCEA *treasurer*. Documented email sent 8/22/2024 to BCTCEA secretary, Philip Harris. John also updated the PSEA/NEA/Local dues for the 2024-25 school year.(attached)

John Leinbach thanks the BCTC new teachers for working so easily with him during their orientation process.

All PACE/NEA dues have been paid for the 2023-24. The current BCTCEA balance is very positive so John Leinbach suggests there will be no increase in local dues, per the bylaws and constitution.

Todd Heckman motioned to approve the previous minutes/treasurer's report.

Gail Leinbach seconded the motion -No "nays", Motioned passed.

EXECUTIVE COMMITTEE ELECTION "RESULTS" FOR 2024-25 SCHOOL YEAR:

Mike Stein, BCTCEA president

Jim Mack, Vice-President/East Campus

Joe Gonzalez, Vice-President/West Campus

Philip Harris, BCTCEA secretary

Cody Gey, BCTCEA Building Representative/East Campus

Beth Ireland, BCTCEA Building Representative/West Campus

Mike Stein, stated that the BCTCEA is still looking for sub-committee members, they are still open because nobody volunteered. Mike gave an explanation of our local union's needs and wants so we can move forward. Please reconsider joining a committee!

BCTCEA general membership also discussed the recognition of retirees, what can we do for them? The past few years we had at least 7 retirees. It would be a great idea to do something for them – please participate in a committee to layout a plan for the near future retirees.

Mike Stein, commended Kelly Ruth for the Berks County Health Trust work.

Kelly Ruth reported that the huge increase is a reflection of the dietary drugs and specialty pharmacy drugs. For the upcoming year, members will pay a larger percentage of their specialty drugs.

Mike Stein, reminded the general membership of the current building reps and asked that members reach out to them with any concerns versus keeping those concerns in small groups. Please know that the executive members will address any concerns or issues you may have.

Open Table;

Theresa DeCarlo has concerns about the start of the school year, no AC in the school.

Mike responded that the administration is renting “26” fans.

Tracey Sholl stated she is concerned about her products being spoiled.

Mike reassured the members that the admin team is working diligently to keep our environments cool, products safe and the contractors are working late hours and weekends to have the units running.

Todd Heckman motioned to adjourn

Mike Wentling seconded

Motion was carried, and the meeting ended at 3:22pm.
