

GENTLY FIT TERMS & CONDITIONS  
GROUP CLASSES

**Enrolling**

Class Fees £40.80 per 6-week term (Unless otherwise agreed).

Further Classes - If you decide to enrol with Gently Fit, each 6 week term is payable in advance by cash, cheque or bank transfer.

**Gently Fit does not operate a "pay as you go" system.** However if, for any reason, you miss your class one week, you are entitled to "save" that class for any future week when you might be able to come twice. An example of this is:-

**Mrs Fartoobusy paid Gently Fit her 6 weeks term fee on 14th May. On 21st May she decides that she really has too much to do that day what with her husbands birthday looming and the Queen coming to tea so she gives class a miss this week. The next week life has calmed down a bit and she finds that she is able to make up for the missed class by coming to two classes this week.**

Gently Fit operates a **4-week holiday** system during each year from January to December, with **at least one weeks notice**. An example of this is:-

**Mrs Travelalot paid Gently Fit her 6 weeks term fee on 7th January for the period 7th January to 11th February. However, she is invited to spend a week in Devon with her good friend Mrs Wouldntsaynotoacreamtea commencing 28th January and will not be able to come to class for that week. She tells Gently Fit on 14th January. This now means that she has used one of her holiday weeks and her term fee will run to 18th February.**

If you find that you cannot come to class for an unknown or extended period, it will be up to Gently Fit and yourself to come to a mutually satisfactory arrangement.

If, at the end of one of your 6 week terms, you decide to take a break and come back at a later date, please bear in mind that your space may be filled by someone on the waiting list and there may not be availability immediately when you decide to return. Gently Fit will always appreciate a weeks notice of this because if you unexpectedly don't attend on the day your next term fee is due, that week will be chargeable.

Gently Fit sometimes takes a holiday too. At least 2 weeks notice will be given when this happens.

Gently Fit will provide a statement of account (electronically where possible) before your next term fee is due.

Gently Fit does not operate group classes on Bank Holidays but may provide you with alternative class options during that week.
