

INTEGRITY SERIES

CLSR RECUMBENT LIFECYCLE
EXERCISE BIKE

Designed with the same technology and durable components as the Lifecycle® upright bike, the recumbent Lifecycle exercise bike brings our legacy of fitness to those who prefer a seated position.

LFCCONNECT DIGITAL SOLUTIONS

When Integrity Series is connected to the Internet, LFCconnect™ solutions maximize your investment by providing detailed product usage data with valuable insight on exerciser habits, staffing needs and future purchases. LFCconnect also enables enhanced technical service to prolong the life of your equipment.

EASY WORKOUT TRACKING

Exercisers can use the free LFCconnect app to track their workout results. Requires wireless connection.

APPLE AND ANDROID DEVICE CHARGING

Universal USB port and optional Lightning, 30-Pin or Micro USB connectors enable exercisers to charge their Apple® or Android™ device.
