### Run Report Sunday 27<sup>th</sup> April 2025

Well, arriving at the usual gathering spot despite being directed (in vain) by Jeff your correspondent realized what the hand waving and gesturing by Jeff was all about. We – as in the esteemed NDSCC had been summarily evicted from our usual spot in favour of a mass group of netball supporters! Apparently people from far and wide had gathered to participate (and observe) the spectacle of the female of the species cavorting in shortish skirts to toss a ball in a ring while trying to inflict serious damage the ligaments in their knees and ankles?

Anyway – to each their own... so finding the alternative area the “usual suspects” had gathered and narrowly escaping a rather amateurish attempt by Hank to run me over, I joined the throng to discuss the word’s problems. Suitably informed we returned to our vehicles and set off towards King St. The run up to the D’Aguilar Hwy was uneventful, I assumed, ‘cos I couldn’t see anything except the big slab of the rear end of Hank’s VW Camper. Luckily Robert had stopped on the highway to adjust the tonneau on his Holden ute and the ever-helpful Hank stopped to render assistance - leaving me free to proceed to Campbell’s Pocket Rd – the next leg of our journey.

The drive along Campbell’s Pocket ride whilst picturesque (for passengers) requires some serious focus for the driver through its twisty “up hill and down dale” nature, combined with many sharp bends! Finally we reached Dayboro, and parked - in the shade – in a nice little spot behind the bakery. Forming a circle on our collapsible chairs were Denise & Graham, Rob & Karen, Paul & Sherrie, Frank, John W, Michael & Janene, to name those I can remember – apologies to those I’ve forgotten, it’s not deliberate, I’m just old!

Suitably hydrated and fed we headed off again towards the North Pine Dam along Dayboro Rd passing through Rush Creek, and Whiteside in what was a relaxing drive after the Campbell’ Pocket adventure. Arriving at the McGavin View park, just in time for Lunch. Once again we gathered round the tables and chairs of one of the many facilities at the area and enjoyed the company of our fellow members, after what was an enjoyable and interesting run on a really nice day.

#### **RUN REPORT – SUNDAY 18<sup>th</sup> MAY – combined CHACC and NDSCC run**

We met at the Sundowner for a 9am departure. A bit thanks to Jen and Stan for organizing the run. From Caboolture we headed out to Kilcoy where we stopped at the Yowie park for Morning tea. It was lovely walking around and talking to members from both Clubs and the weather for once was perfect.

After have a lovely chat and a cuppa we headed out to Toogoolawah – however it is known to this reporter that SOME members cheated on the run and went the quick way instead of out past somerset dam – either way it was a lovely drive.

Once we got to the pub – we all order our lunches (sadly some of us had to wait for well over an hour) but overall a lovely lunch almost worth the wait.

It was so lovely to catch up with so many CHACC members that we have not seen for some time and to meet new people as well. A bit thankyou to NDSCC for subsidizing the lunch. I am sure I speak for all members to say thankyou .

Jen proceeded to sell off the raffle tickets for wonderful prizes donated by BURSON. Im embarrassed to say that I won both 1<sup>st</sup> and 2<sup>nd</sup> prizes, but left the major prize for another winner. Thankyou again to Jen and Stan for organizing such a great raffle.

After a lovely lunch, good conversation, a couple of beers/wines etc, we all said our farewells and headed home. The weather continued to be beautiful all the way home and happily the traffic was not too bad either.
