– Ricks Garage & Café, Palmwood.
2. 7th-9th June - Kingaroy
3. 15th June – Alex & Elaine.

We meet on the 3rd Sunday of each month (unless advised otherwise), at Centenary Lakes, Caboolture (opp tennis courts) at 8.30am for a 9.00 departure unless otherwise advised.

The club is here for your pleasure and to get together with great people that have the same interest as you, so please try and make the effort to come along on these runs that members go to a lot of trouble to organize.

Inside this Issue:

- March run report.
- April run report.
- Interesting facts.
- Swap meets and Upcoming events.
- Jokes and funny stories.
- The back page – NDSCC member's advertising and classifieds.

To all members: Your fees are now due and must be paid by the 30th June to stay financial. Fees are \$20 single and \$30 family. These can be paid either by direct debit, post or club run.

Our next run on the 18th May will be organized by Greg and Yvonne Staniforth and Stan and Jenny Vallance and will be to Maroochy Botanical Gardens for morning tea and our quick meeting, and then on to Ricks Garage and Café for lunch. The meals range in price from \$10 to \$30. We will meet in the usual place opposite the tennis courts in Centenary Lakes, Caboolture at 8.30am for a 9am start. Don't forget to bring your morning tea.

March 16th run report.

Owing to Ricks Diner being closed for a while, this was a last minute choice by Stan Jenny, Yvonne.

Stan and Jenny met us at the usual meeting place to guide us on our way to Kilcoy via Villeneuve past the Woodford Prison. Then on to Anzac Park, Kilcoy where Greg and Yvonne were waiting for us. Rod Robertson also met us here with his truck fully loaded on his way to Dalby.

Yvonne as usual had been baking and excelled herself with mini vanilla slices for morning tea. The meeting was held here so that there would be no interruption at the winery. The lucky ticket draw saw visitors (who joined today) Kim Castle and Amy Morris win the 1st fruit basket and Charlie and Sandy Provis win the 2nd. Yvonne gave out tickets for a ladies only draw and yours truly won it.

A small raffle was run raising \$48 and the 1st 2 draws were mine (donated by me) so eventually we found winners for the 3 draws.

Then off to the winery going the back way through Kilcoy Mountain. On Rd, Kilcoy at the winery we were greeted by Gary and Sue and seated at our tables. After placing our orders, the wine tasting started ranging from sweet whites to reds. Too much for me I'm afraid (says the non drinker) so I dipped out after 3. The meal was absolutely delicious and I saw empty plates all around me. Some were even brave enough to try and fit in homemade apple pie. We left as some were starting on the port tasting. Thanks for a fabulous day.

For those that couldn't make it and you want a great experience at a winery, then get in touch with Winya Winery, Sandy Creek, Kilcoy.

"Winya Wines" is honoured to take its name from the pioneer William Butler, the "Grand Old Man of Kilcoy" loved and respected in the whole region. The Winya vineyard reflects the vision and innovation that William Butler had for this fertile area.

GENERAL BUSINESS

We still need volunteers to run our monthly runs after March. Thanks to the following members who have volunteered to organize these runs:-

May 18th (Ricks Diner)... Yvonne & Greg

June 15thAlex & Elaine

July 20th Rod & Vanessa

August 17th ..Kim & Carol

Thanks to the above members – it helps us all when the members become involved in club activities.

Bob Pritchard advised that our April run will be held on the SECOND SUNDAY, to fit in with the Steam Train enthusiasts calendar. Members please take note!!!

The club will also subsidize the entrance fee for the venue, for members who attend the run. It will be a BYO, and there is also provision on site for people to purchase sandwiches etc if they desire, rather than BYO. The choice is yours.

Stan and Jenny Valance suggested Hampton as a possible destination, for a future run, and Kim said he had already earmarked that place as his August run, so he thanked Jenny for her excellent suggestion!

June Long Weekend Denise Douglas is looking at destinations, and in her absence it was decided to defer any further discussion to our next run to get her input, and possible numbers. There were various suggestions from the members most of whom were indicating a preference for a venue up in the hills somewhere.

There being no further business, meeting was closed at 10:35 AM

Alex Gallacher... Hon Sec

A ticket was attached to each run sheet for the small Presidents Trophy and we won it. There were also 2 other draws. A raffle was run with 4 draws.

We all gathered at Centenary Lakes Caboolture for our day out.

We headed off on our journey to a place called QSMEE at 122 Warner Rd., Warner. We drove along till we came to Big yellow sign 122 and a white sign with QSMEE on it. We turned right into the place and followed along track as instructed. To our amazement there were miniature steam trains running on tracks. We were given a special place to park our cars, enabling people to view them as they were riding on trains. Even though the weather was a little damp and overcast. We shared morning tea together and raffles. We then placed our red armbands on our arms to enable us to go for a ride on trains. We thought it was a great experience which took us back to our childhood days. All thanks goes to Bob Pritchard for a great day and the The Queensland Society Of Model Experimental Engineers. thanks Bob and Lorraine Cooling

Smile a while 😊

The London Cabbie

A devout Muslim entered a black cab in London.

He curtly asked the cabbie to turn off the radio because as decreed by his religious teaching, he must not listen to music because in the time of the prophet there was no music, especially Western music which is the music of the infidel.

The cab driver politely switched off the radio, stopped the cab and opened the door.

The Arab asked him, "What are you doing?"

The cabbie answered, "In the time of the prophet there were no taxis, so bugger off and wait for a camel!"

Aussie blokes are sensitive!

Three Aussie blokes working up on an outback mobile phone tower: Mongrel, Coot and Bluey. As they start their descent, Coot slips, falls off the tower and is killed instantly.

As the ambulance takes the body away, Bluey says, 'Well, bugger me, someone's gotta go and tell Coots wife.

Mongrel says, 'OK, I'm pretty good at that sensitive stuff, I'll do it.'

Two hours later, he comes back carrying a case of beer.

Bluey says, 'Where'd you get the grog, Mongrel?'

'Coot's wife gave it to me,' Mongrel replies.

'That's unbelievable, you told the Missus her husband was dead and she gave you a case of beer?'

'Well, not exactly', Mongrel says.

'When she answered the door, I said to her, "You must be Coot's widow."

She said, 'You must be mistaken. I'm not a widow.'

Then I said, 'I'll betcha a case of beer you are.'

Aussie blokes are good at that sensitive stuff.

CARDIOLOGIST FUNERAL

This would be an acceptable reason to laugh at a funeral...

A very prestigious cardiologist died, and was given a very elaborate funeral by the hospital he worked for most of his life... A huge heart... covered in flowers stood behind the casket during the service as all the doctors from the hospital sat in awe. Following the eulogy, the heart opened, and the casket rolled inside. The heart then closed, sealing the doctor in the beautiful heart forever. At that point, one of the mourners just burst into laughter. When all eyes stared at him, he said, 'I'm so sorry... I was just thinking of my own funeral...I'm a gynaecologist!' The priest fainted.

Would all members please think about putting your hand up to organize a run from October to September 2015. The runs are usually set at the AGM and we need new blood or the same members end up doing them.
