## **Run Report Sunday 19<sup>th</sup> July NDSCC**

What a beautiful day for a run! It was so nice to see so many of you turning up for this run to Maleny up through Landsborough to a private property to see how they “save the cows”.

A big thankyou to Ron and Julie for organising the run. You two always do a great job with taking us somewhere a bit different.

Anyway, we proceeded off from the usual spot in Caboolture and headed out towards landsborough where we stopped at a really great park for morning tea and our meeting. The weather was beautiful in the sun and the kids who attended enjoyed themselves on the play equipment.

After our meeting and great conversation and munchies we headed off to Maleny.

Once arriving at our destination we had to wait for a bit for the owner to come down and open the gate. We then traversed the rather long driveway with our lunch/tables/chairs and set up in the front paddock. Unfortunately a bit of a cold weather front was on its way and we were all starting to feel the chill in the air. The owner of the property explained a bit about the farm and the cows and many members enjoyed a very informative time. For my part, just seeing the cows was enough – looking at them through the fence was as close to nature as I really needed. No stepping through cow dung for this girl – no siree!!!. Just the lovely fresh smell of the cow patties was enough for me to find a seat downwind and enjoy the rest of the day. Unfortunately mother nature had other ideas and decided that she was send quite a patties of rain down on us.

At this stage, I think everyone had the same idea of pack up and get the .... Out of there!!!.

Anyway, for the time that we were there I think everyone managed to have a good time.

It was a shame that the rain started as a light drizzle and got worse as the time progressed. Still one cannot have any control over these things can one?

We all then made a rather hurried trek back to our cars and headed off home.

I would like to say how great it was to see Chris and Sharon Tilyard and how nice to see Chris looking so much better. Also great to see Craig and Cherie and brood – wow those kids are growing up fast.!!

Thanks again to Ron and Julie for another terrific run and we look forward to seeing what you can come up with next time!!!

Don't forget to send me suggestions on anywhere you would like to go for the june long weekend next year – I haven't had members falling over themselves yet with suggestions!!!

Thanks all.

Denise Douglas

## August 16<sup>th</sup> Run

Well it was the same old group again but that's OK as we are like old pals now. This run was organized by Matt and Jayne and we are going to Mt Mee. Just as well Chris brought the Ute as Sharon doesn't like going in the Chev car on narrow windy roads and we went the good way instead of Campbells Pocket Rd.

On arriving at the Lookout we couldn't find a place to park as it was so crowded with bikes and another car club so a lot of members had to park behind other cars. It was a bit cold where Lorraine and I were sitting.

There were quite a few very loud bikes zooming around and a trike with a canopy on it. I heard a comment from one of our fellows say "Gee, wouldn't he cop a ribbing from the other gung ho bikies."

After morning tea we left to continue up the hill to our destination of The Pit Stop café where again it was difficult to find a parking spot even with the second car park they have put in. There are plenty of bike spots but not so many for cars. One of our members got frustrated with looking and went home. The meals were priced within the budget and plenty of food on the plate and was served fairly quick too.

Thanks Matt and Jayne for the run.  
Julie.

**BEAUTIFUL panoramic taken by Matt up at Mt. Mee!**

## *Smile a While*

Wine is not the only drink that's good for you.

Interview with 101-year-old Hattie Mae MacDonald.

Reporter: “Can you give us some health tips for reaching the age of 101?”

Hattie: “For better digestion I drink beer. In the case of appetite loss I drink white wine.”

For low blood pressure I drink red wine. In the case of high blood pressure I drink scotch.

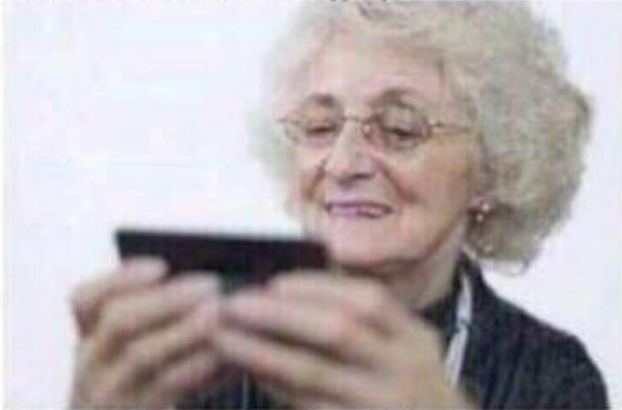

And when I have a cold I drink schnapps.”

Reporter: “When do you drink water?”

Hattie: “I've never been that sick.”

An elderly couple had just learned how to send text messages on their mobile phones. The wife was a romantic type and the husband was more of a no-nonsense guy.

One afternoon the wife went out to meet a friend for coffee. She decided to send her husband a romantic text message and she wrote: "If you are sleeping, send me your dreams. If you are laughing, send me your smile. If you are eating, send me a bite. If you are drinking, send me a sip. If you are crying, send me your tears. I love you."

The husband texted back to her: "I'm on the toilet. Please advise."
