Run Report 20th September

Well the day of the AGM rolls around and what a poor turn out. The worst I have seen yet with only 14 people. The meeting went like clockwork as there was nobody there to put their hands up to do anything except Chris that took over the Social Directors job. For such a small gathering the smorgasbord was well catered for. After lunch we all packed up and went our merry way,
Julie

Long weekend run 4th & 5th October

There were only 4 couples for the weekend away so we met at Aussie World. We arrived at the Appalonian Hotel at about 11am and sat on the shaded verandah for a much needed drink. We were too early to get into our rooms but sat at our lunch table under the trees waiting to be called up for our spit roast as we had #1 thanks to the girl that did our booking. The meal was OK but a bit pricey for what we got, I thought. The place was absolutely packed.

At 2pm we went over to our rooms which were very basic with an outside shared toilet and shower. The steps down were a bit steep for me to use too often. There was a shared kitchen with a non-working fridge so the owner brought us another one. We sat on the verandah outside our rooms and relaxed for the rest of the afternoon. At meal time the nibbles came out. As it was the night of the Footy Grand Final some of them went up to the pub to watch and those that stayed behind could hear all the locals cheering.

We all turned in and the beds were comfortable. Next morning we all had breakfast and had a reasonably early departure to beat the traffic.

A very relaxing weekend.

RUN REPORT SUNDAY 18TH OCTOBER

MAJESTIC THEATRE POMONA

So, as usual no-one wanted to do the run report so I volunteered again. Now, please don't think that I am picking on anyone in particular, but seriously folks, if other people don't start stepping up and doing a bit more for this club – this club won't run. It is really disappointing year after year to see the same old reliable wonderful people that run this club – again, come on people, how about a bit of a contribution!!!

Anyway, enough blabbing.

So we all met as usual at the Lakes and were surprised and delighted to see so many people attending. It was great to catch up with some members that we have not seen for a while. We left the lakes and continued up the highway to the beautiful little township of Pomona. This was our president Bob Pritchard's run and it was a great choice. The Majestic theatre is one of the oldest in the country and only plays silent movies.

I have to tell you that the thought of sitting down for an hour and ten minutes to watch an old Buster Keaton silent movie did not do it for me, but hey I went along with the flow and went in to watch.

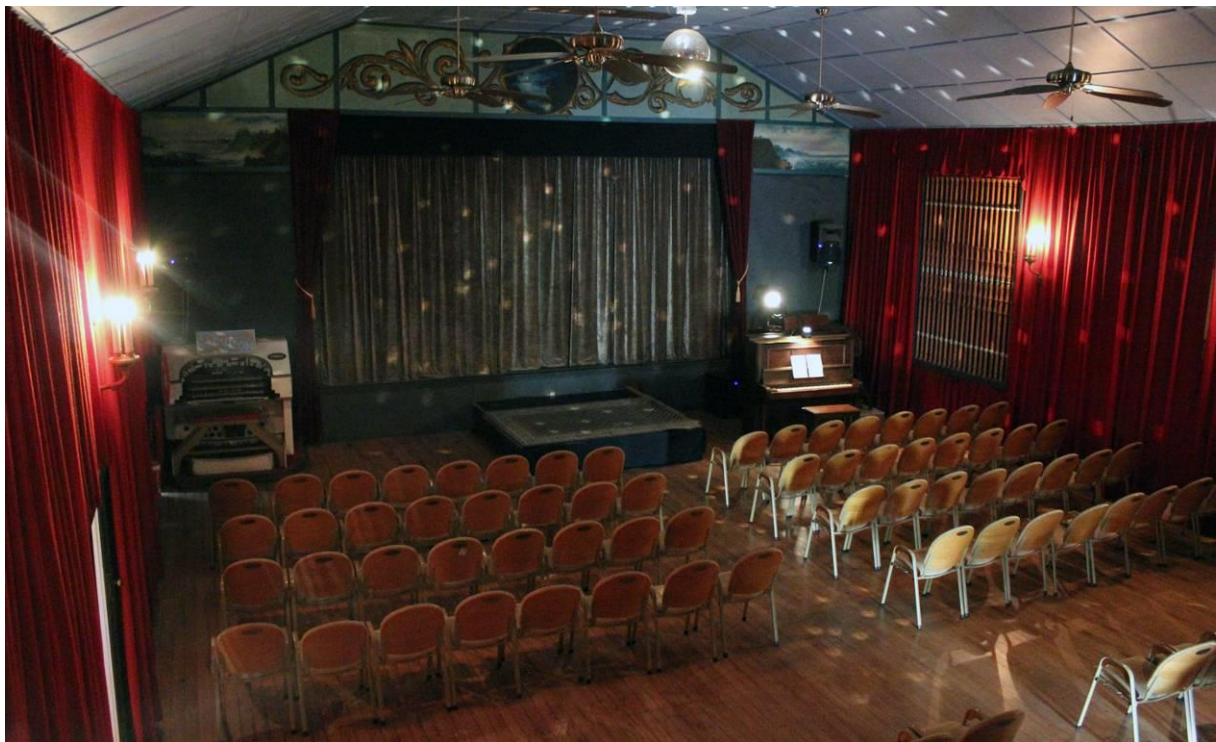

A young gentleman sat through the entire one hour and ten minutes continually playing the piano and it reminded me how much music plays a big role in movies, not only back in the twenties, but in the movies of today as well.

Well I have to tell you, I thoroughly enjoyed the movie.

This was slapstick comedy at its best.

It was refreshing to watch a movie with no "F" words, no butts, no boobs, no special effects – and again, I was surprised how funny it was.

The club kindly put \$10.00 each in towards the cost of the movie which was terrific. After the movie, we came out to a wonderful lunch that was pre-ordered and just enjoyed each other's company. Once we had our lunch and a nice glass of wine it was time to head off home. Another great run – thanks Bob.

Smile a While

Ma and Pa were two hillbillies living in outback Victoria out on a farm up in the hills. (Maybe anywhere in Aus!!!)

Pa has found out that the hole under the outhouse is full. He goes into the house and tells Ma that he doesn't know what to do to empty the hole.

Ma says "Why don't you go ask the young'n down the road? He must be smart 'cause he's a uni gradjyate."

So Pa drives down to the neighbour's house and asks him.

"Mr. Uni gradjyate, my outhouse hole is full, and I don't know what to do to empty it."

The young'n tells him, "Get yourself two sticks of dynamite, one with a short fuse and one with a long fuse.

Put them both under the outhouse and light them both at the same time. The first one will go off and shoot the outhouse in the air.

While it's in the air the second one will then go off and spread the poop all across your farm, fertilizing your ground.

The outhouse should then come back down to the same spot atop the now-empty hole."

Pa thanks the neighbour, then drives to the hardware store and picks up two sticks of dynamite, one with a short fuse and one with a long fuse.

He goes home and puts them under the outhouse. He then lights them and runs behind a tree.

All of a sudden, Ma comes running out of the house and into the outhouse!

Off goes the first stick of dynamite ... shooting the outhouse into the air.

BOOM! Off goes the second stick of dynamite ... spreading poop all over the farm.

WHAM! The outhouse comes crashing back down atop the hole.

Pa races to the outhouse, throws open the door and asks, "Ma, are you all right??!!"

As she pulls up her panties she says...

"Yeah, but I'm sure glad I didn't fart in the kitchen."

An Indian Doctor can't find a job in a Hospital in the US, so he opens up a clinic and puts a sign outside

'GET TREATMENT FOR \$20 - IF NOT CURED, GET BACK \$100!'

A local lawyer thinks this is a great opportunity to earn \$100 and turns up at the clinic...

Lawyer: "I've lost my sense of taste."

Indian doctor: "Nurse, bring the medicine from box No. 22 and put 3 drops in this patient's mouth."

Lawyer: "Ugh... this is kerosene."

Indian doctor: "Congrats, your sense of taste is restored. That'll be \$20."

The annoyed lawyer goes back after a few days to try to recover his money...

Lawyer: "I've lost my memory. I can't remember anything."

Indian doctor: "Nurse, bring the medicine from box No. 22 and put 3 drops in his mouth."

Lawyer (annoyed): "This is kerosene. You gave this to me last time for restoring my taste."
Indian doctor: "Congrats. You've got your memory back. That'll be \$20."

The fuming lawyer pays him, and then returns a week later determined to get \$100.

Lawyer: "My eyesight has become very weak I can't see at all."

Indian doctor: "Well, I don't have any medicine for that, so take this \$100."

Lawyer (staring at the note): "But this is \$20, not \$100!!"

Indian doctor: "Congrats, your eyesight is restored."

That'll be \$20."

You can't beat the Indians!!

For all those that are feeling a bit under the weather or recovering from an illness or operation. Get Well soon.
