**RUN REPORT SUNDAY 15<sup>TH</sup> NOVEMBER**

Well I don't believe it but for the first time EVER Graeme and I got a 100% rate on the questionnaire. Yes, you might think that is great until of course you are told you have to do the ..... Run sheet and of course, this takes all the fun out of it. (just kidding).

We started off from the lakes as usual with, I am happy to say a few more people than we usually get. The run was organised by Alec and Elaine and we had a lovely drive down the highway heading out to Scarborough and stopping at a beautiful park just near Morgans Sea Food. Some of the real estate around this area is quite stupendous!!

Now I know you might think this is sacrilegious, but I have never had seafood from Morgans before – yes I know what you’re thinking.

Anyhoooo, I walked across the road with the lovely Sally who is Ron and Julie’s grand-daughter and we had a lovely walk and chat and ordered our fish and chips for lunch. We ordered a lot of chippies and shared them with other members once we got back to the group.

It was really great to catch up with everyone - I know I have said this before but this really is a lovely club to be a member of. It is hard to believe that xmas is on us again – only seems like a month ago we had our last xmas party.

This will be my last organising for the club as with work and now my celebrancy business taking off I don’t have time to devote to the club any more. Graeme and I will of course still come on as many runs as we can.

A big thanks for Chris Tilyard for taking over the duties of social director.

Again, thanks to Alec and Elaine for a great day out – it was so nice and relaxing I really did not want to go home!

And I just have to rub it in again that we GOT ALL THE QUESTIONS RIGHT!!! Has never happened before!!!! For those of you not attending the xmas party/dinner, a safe and happy new year to you all and we look forward to catching up with you all next year.

To all the committee members and other tireless workers that keep this club running (you know who you are) a big thank you to you all for your hard work (although really its not that hard eh??)

We look forward to seeing you all next year (holy moley – 2016)!!!

Cheers. Denise & Graeme  
Douglas.

# Christmas Party Report

Well the 19<sup>th</sup> Dec has finally rolled around and we are off to the Centennial Lakes Bowls Club for our clubs yearly party. The final number of members and some family was 34 which was a good attendance.

We are booked in for a game of Barefoot Bowls but this little duck won't be playing as there is too much bending and walking. All those that played really enjoyed themselves though.

All members were really surprised with the Committees decision to give everyone a gift of a subsidy towards their meal and bowls cost.

There was no set meals so we all ordered off the menu and the food was nice.

When we arrived Dee handed everyone a lucky door ticket and had several draws. There was a prize for best Christmas costume and Yvonne was the only one.

She also drew the raffle of the TV and it was won by our President Bob Pritchard. Last year our Secretary won it, so maybe next year it will be my turn being the other committee member.

After having a very enjoyable evening we headed home about 10 o'clock.

Julie

## Smile a While

*A cop is staking out a bar for drunk drivers. At closing time, he sees a guy stumble out of the bar, trip on the curb, and fumble for his keys for five minutes. When he finally gets in, it takes him another five minutes to get the key in the ignition. Meanwhile, everybody else leaves the bar and drives off. When he finally pulls away, the cop is waiting for him, pulls him over, and gives him a Breathalyzer test. The test shows he has a blood alcohol level of 0.0. The cop says, 'How is this possible?' The guy says, 'Tonight I'm the designated decoy.'*

Two blondes walk into a building – you'd think at least one of them would have seen it.

Wiremu, a New Zealander, was on the dole in Australia but about to fly home to watch the Rugby World Cup and was not feeling well, so he decided to see a doctor.

"Hey doc, I dun't feel so good, ey" said Wiremu.

The doctor gave him a thorough examination and informed Wiremu

that he had long existing and advanced prostate problems and that the only cure was testicular removal.

"No way doc" replied Wiremu "I'm gitting a sicond opinion ey!"

The second Aussie doctor gave Wiremu the same diagnosis and also advised him that testicular removal was the only cure.

Not surprisingly, Wiremu refused the treatment.

Wiremu was devastated, but with the Rugby World Cup just around the corner he found an expat Kiwi doctor and decided to get one last opinion from someone he could trust.

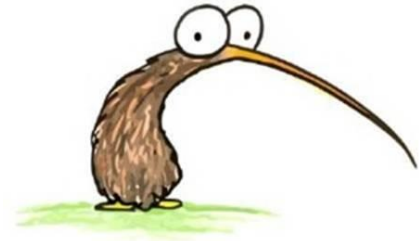

The Kiwi doctor examined him and said: "Wiremu Cuzzy Bro, you huv Prostate suckness ey."

"What's the cure thin doc ?" asked Wiremu hoping for a different answer.

"Wull, Wiremu", said the Kiwi doctor "Wi're gonna huv to cut off your balls."

"Phew, thunk god for thut!" said Wiremu,

"those Aussie bastards wanted to take my test tickets off me!"

### Diagnosis

A young doctor moved out to a small community to replace a doctor who was retiring. The older doctor suggested that the young one accompany him on his rounds, so the community could become used to a new doctor.

At the first house a woman complains, "I've been a little sick to my stomach."

The older doctor says, "Well, you've probably been overdoing the fresh fruit. Cut back on the amount you've been eating and see if that does the trick?"

As they left, the younger man said, "You didn't even examine that woman? How'd you come to the diagnosis so quickly?"

"I didn't have to. You noticed I dropped my stethoscope on the floor in there? When I bent over to pick it up, I noticed a half dozen banana peels in the trash. That was what probably was making her sick."

The younger doctor said "Pretty clever. If you don't mind, I think I'll try that at the next house." Arriving at the next house, they spent several minutes talking with a younger woman. She said that she just didn't have the energy she once did and said, "I'm feeling terribly run down lately."

"You've probably been doing too much for the church," the younger doctor told her.

"Perhaps you should cut back a bit and see if that helps."

As the left, the elder doctor said, "I know that woman well. Your diagnosis is most certainly correct, she's very active in the church, but how did you arrive at it?"

"I did what you did at the last house. I dropped my stethoscope and, when I bent down to retrieve it, I noticed the priest under the bed."

For all those that are feeling a bit under the weather or recovering from an illness or operation. Get Well soon.

Anyone with a birthday **YEAH! HAPPY BIRTHDAY.**  
Have a great day.
