## RUN REPORT SUNDAY 17<sup>TH</sup> January 2016

Well, this was the first run for the year and the regulars turned up as usual and it was good to see Kim and Carol back on deck after a fairly long absence.

We left the meeting place via the back way so as to avoid the Markets heading towards Kilcoy, which was our morning tea stop and pick up Stan and Jenny. We also held our meeting here and awarded the quiz winners with their prize. Wouldn't you know it, after being away for so long Kim and Carol took out the prize and left us here also as they had visitors coming from quite a distance away.

After the quick meeting we took off for Jimna which is a tiny town, since the logging finished. Our lunch stop was the information centre/museum etc, where we were able to buy food. We were given an informative talk about the past and future for this area. Stan knows this area very well as he lived here as a young boy. The towns people are trying to save the fire tower.

After a relaxing couple of hours we all headed home.

Thanks Dee and Graeme for the run.

## February Club Run

Sunday 21st feb saw a very small group of us assembled at the lakes for the days run. Because there were so few of us, we played follow the leader for both sections of the run

We went the back way out of Caboolture, through Bellmere coming onto the highway at Wamuran. We then proceeded on to "Just Gerberas" at Woodford.

We had only just pulled up when Greg and Yvonne pulled up also.

Chris and Robert could not get out of their cars fast enough to check out some discarded panels off an old car. We had to talk hard to get them to come over telling them there was better stuff inside. Sue and Steve met us near the Gerberas and the guys couldn't go off with Steve quick enough. He showed them into his workshop of SSRods. He has made a rod based on the '41 Willys. He told the boys the full story of making chassis, body and all the intricate details. I would probably get it wrong if I tried to say too much

You will just have to come on the run next month, as Chris is taking us back there. It is certainly worth coming to see.

While the boys were drooling, Sue took the ladies in to the flowers. Most of us bought at least one plant. Sue told us a few tricks on how to keep the flowers fresher. And how to Pick them properly. After that sue and Steve joined us all for morning tea under the trees. Lovely and relaxing. From there we drove the back way to Kilcoy showgrounds for lunch under the trees. Lorraine and Robert won the lucky draw, visitors Andrew and Rose got the second draw. All men present got either a cap or a stubby cooler. Stan won the raffle. Even though there were only five cars Including our visitors, a lovely day was had by all.

This was such an interesting venue that we are going there next month then hopefully on to Winya Wines for lunch. Contact Chris and Sharon for details.

## Smile a While

### The Goodnight Kiss

One night a guy takes his girlfriend home. As they are about to kiss each other goodnight at the front door, the guy starts feeling a little horny

With an air of confidence, he leans with his hand against the wall and smiling, he says to her, "Honey, would you have sex with me?"

Horrified, she replies, "Are you mad? My parents will see us!"

"Oh come on! Who's gonna see us at this hour?" he asks, grinning at her.

"No, please. Can you imagine if we get caught?"

"Oh come on! There's nobody around, they're all sleeping!"

"No way. It's just too risky!"

"Oh please, please, I love you so much!"

"No, no, and no. I love you too, but I just can't!"

"Oh yes you can. Please?"

"No, no. I just can't"

"I'm begging you..."

Out of the blue, the light on the stairs goes on, and the girl's older sister shows up in her pyjamas, hair dishevelled, and in a sleepy voice, she says:

"Dad says to go ahead and have sex with him, or I can do it... or if need be mom says she can come down herself and do it. But for God's sake, tell him to take his hand off the intercom!"

\*\*\*\*\*

A guy goes to the supermarket and notices an attractive woman waving at him.

She says hello. He's rather taken a back because he can't place where he knows her. So he says, "Do you know me?"

To which she replies, "I think you're the father of one of my kids."

Now his mind travels back to the only time he has ever been unfaithful to his wife, and he says, "Oh, are you the stripper from my bachelor party that I did on the pool table with all my buddies watching while your partner whipped me with wet celery?"

The woman looks sternly into his eyes and says very calmly, "No, I'm your son's teacher."

### FIFTY SHADES OF GREY - (a husband's point of view)

The missus bought a Paperback,  
down Shepton Mallet way,  
I had a look inside her bag;  
... T'was "Fifty Shades of Grey".

Well I just left her to it,  
And at ten I went to bed.  
An hour later she appeared;  
The sight filled me with dread...

In her left she held a rope;  
And in her right a whip!  
She threw them down upon the floor,  
And then began to strip.

Well fifty years or so ago;  
I might have had a peek;  
But Mabel hasn't weathered well;  
She's eighty four next week!!

Watching Mabel bump and grind;  
Could not have been much grimmer.  
And things then went from bad to worse;  
She toppled off her Zimmer!

She struggled back upon her feet;  
A couple minutes later;  
She put her teeth back in and said  
I am a dominater !!

Now if you knew our Mabel,  
You'd see just why I spluttered,  
I'd spent two months in traction  
For the last complaint I'd uttered.

She stood there nude and naked  
Bent forward just a bit  
I went to hold her, sensual like  
and stood on her left tit!

Mabel screamed, her teeth shot out;  
My God what had I done!?  
She moaned and groaned then shouted out:  
"Step on the other one!!

Well readers, I can tell no more;  
Of what occurred that day.  
Suffice to say my jet black hair,  
Turned fifty shades of grey.
