General Business:

Denise discussed with members the long weekend in October for possible long weekend destinations. Chris will be away so Denise is _rganized_.

Some places of interests were: Bunya mountains, Toowoomba, Rudds Pub, Boonah

Denise asked for members to email any further suggestions and will look into places to go.

This weekend will be 1st, 2nd, 3rd October.

A Local man by the name of Col interrupted our meeting to let us know that our cars were great and to keep coming to Dayboro as the locals really enjoy having groups like ours there. After a few pats of his lovely dog – he was then on his way.

Julie asked members to put in for the next few runs and it was decided on the following:

July run – Denise and Graeme Douglas, August run – Col and Shontay (bing and bong).

The September run is the AGM at Toorbul waterfront.

One member suggested that if you are doing a run and you cannot do it – to please give more than one weeks notice so that a new run can be _rganized. All members agreed but accepted that in some circumstances this was not possible.

Winners of the questionnaire were: 1st Place – Jen and Stan. 2nd Place – Julie W.

Congratuations.

After no further business – meeting closed at 12.10pm.

Club run 15th May

This run was organized by Geoff Norris with the help of Alex at the last minute as the nominated member was unavailable.

A usual we all met at the tennis courts at Centenary Lakes and from there we headed towards Morayfield turning off at Oakey Flat Rd for leisurely drive through the back way to Narangba etc. Our destination was a short one ending up in the little town of Dayboro. On arrival we all headed for the bakery

for our supplies for smoko and lunch and then we moved to the park at the back of the bakery for our short meeting and a good old chin wag. A local gent with his dog stopped to appreciate our cars.

Owing to the small number of members attending and our social director not being well enough to come we decided to do a gold coin donation. We all left about 1pm for home. Thanks Geoff and Alex for stepping in.

Club run June 19th

This was a run organized by Alex but owing to the bad weather forecast it was decided to cancel.

Smile a While

USB Stick

Shortly it will become compulsory for senior citizens to carry not only their ID, but also their insurance documents, their prescription list, a compact version of their medical file, the statement declaring if they want to be resuscitated after a heart attack, stroke, etc. etc.

Consequently, a lot of paperwork will have to be carried when a senior citizen goes out the front door OR When they Travel!

Specifically for this purpose, a special "Senior USB Stick" has been developed.

Wow! Two Bites of information. Blue Tooth technology to fit your lifestyle.
Expanded Memory can be arranged. Something to chew on.
Don't forget to smile.

We don't stop laughing because we grow old; we grow old because we stop laughing.

Greenie revenge --- Love it!

The chief woman 'Greenie Tree-Hugging Activist', who was responsible for getting horses banned from National parks and State forests, was Climbing a tree to have a look out over the forest when a Tawny Frogmouth Owl attacked her for invading its nesting site.

In a panic to escape, she slid down the tree, getting a great number of splinters lodged in her crotch area. In considerable pain she hurried to the nearest doctor, told him she was an environmentalist and how she got all the splinters.

The doctor listened with great patience and then told her to go into the examining room and he would see if he could help her. She waited for 3 hours before the doctor reappeared. Angry, the woman demanded, 'What took you so long?'

'Well...' replied the doctor, '...I had to get permits from the Parks And Wildlife Service; the Wilderness Society and the Department of Conservation and Land Management before I could remove 'old growth Timber from a 'recreational area' . . .
I'm sorry but they all turned me down.'

A young Arab asks his father, "What is this weird hat that we are wearing ?"

"It's a 'chechia' because, in the desert, it protects our heads from the sun !!"

"And what is this type of clothing that we are wearing ?"

"It's a 'djbellah' because, in the desert, it is very hot and it protects your body !!"

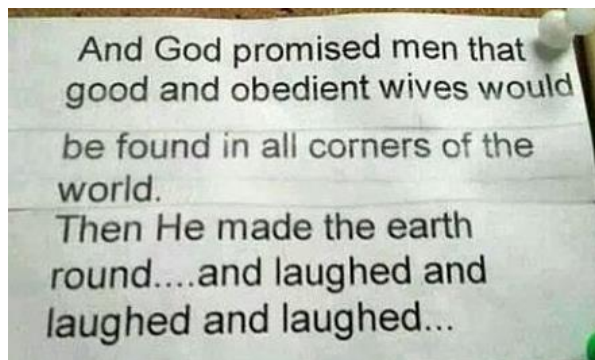

"And what are these ugly shoes that we have on our feet ?"

"These are 'babouches', which keep us from burning our feet when in the desert !!"

"Tell me, Papa..."

"Yes, my son ?"

"Why are we living in Melbourne and still wearing all this shit ?"

HOW TO CALL THE POLICE WHEN YOU'RE OLD, AND DON'T MOVE FAST ANYMORE.

George Phillips, an elderly man from Walled Lake, Michigan, was going up to bed, when

his wife told him that he'd left the light on in the garden shed, which she could see from the bedroom window.

George opened the back door to go turn off the light, but saw that there were people in the shed stealing things. He phoned the police, who asked "Is someone in your house?"

He said "No," but some people are breaking into my garden shed and stealing from me

Then the police dispatcher said "All patrols are busy, you should lock your doors and an

officer will be along when one is available"

George said, "Okay."

He hung up the phone and counted to 30.

Then he phoned the police again.

"Hello, I just called you a few seconds ago because there were people stealing things from my shed.

Well, you don't have to worry about them now because I just shot and killed them both; the dogs are eating them right now," and he hung up.

Within five minutes, six Police Cars, a SWAT Team, a Helicopter, two Fire Trucks, a Paramedic and an Ambulance showed up at the Phillips' residence, and caught the burglars red-handed.

One of the Policemen said to George, "I thought you said that you'd shot them!"

George said, "I thought you said there was nobody available!"

We are sorry to hear that one of our members, Troy Batchelor has passed away on the 28th February. Some of you may remember Troy as he came on a few runs in 2014 and one in 2015 in his Mustang Fastback. Sympathy goes out to his wife, Kelly and his two children.

A get well wish goes out to anyone not feeling up to scratch.

Happy birthday to all.
