FEATURED CAR

RON AND JULIE'S FORD CRESTLINE (1954)

Written by Julie Walters, bottom photos from Denise Douglas

This 1954 4-door Ford Crestline is a 6 cylinder, which seems to be very rare here in Oz. It was bought near San Francisco in 2017 and arrived in Australia in October, 2017. Ron started on it straight away, sandblasting it himself. It was finished and on the road in May, 2018.

JULY RUN: Moore, 15/07/18

Organised and written by Bob Pritchard, photos by Kim Castle and Ray and Joan Austin

We left the Lakes Car Park around 9:00am, destined for a park in Moore for lunch and a meeting. Our first stop was at Kilcoy for morning tea. We had a really good turnout on this run and some new members on their first run. Moore was a very busy place with heaps of bicycles in the area that day. For those who were buying lunch, the café had just about run out of food, but we still had enough to eat.

Thank you all for coming! We had a great day out as usual.

AUGUST RUN: Hole in the Wall Café, Jimna Hall, 19/08/18

Organised by Jenny and Stan Vallance, written by Bob Pritchard, photos by Denise Douglas

We left the Lakes around the normal time. Our first stop was Kilcoy. One of our new club members turned up with four big boxes of all types of donuts and a variety of cakes, which everyone enjoyed. Next we were on our way to Jimna. Lunch was a sausage sizzle with a gold coin donation.

The Jimna Hall Society gave us the use of their hall and barbeque for the day. We had a special raffle with extra prizes. First was a \$30.00 Woolworths voucher that was won by yours truly (me). The prize money was donated to the hall society to help the children in the Jimna area and the Hole in the Wall Café.

We all had a great time.

Thanks to Stan and Jenny for organising the run!

THINK ABOUT IT

See if you can solve these!

1. Why can't someone living in New York be buried in Chicago?
2. How can someone go eight days without sleep?
3. A man is six feet tall. He's an assistant at the local deli and wears size nine shoes. What does he weigh?
4. What do these words have in common: Madam, civic, eye, level?
5. When you have me, you feel like sharing me. If you do share me, you don't have me. What am I?
6. I am an insect. The first part of my name is the name of another insect. What am I?
7. Which part of the boat does a shopaholic like the most?
8. What five-letter word becomes shorter when you add two letters two it?
9. What type of cheese is made backwards?
10. I am the beginning of the end, the end of space and time. I am essential to creation, and I surround every place. What am I?

Join us on the next run in September to get the answers! ☺

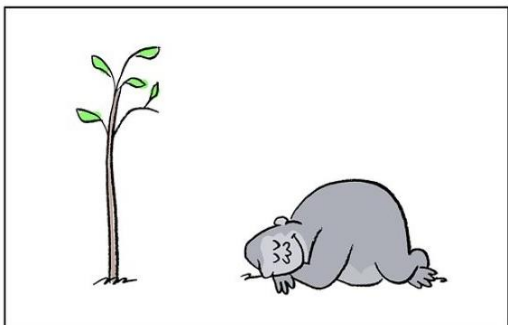

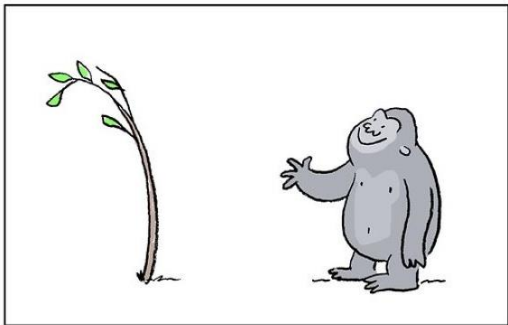

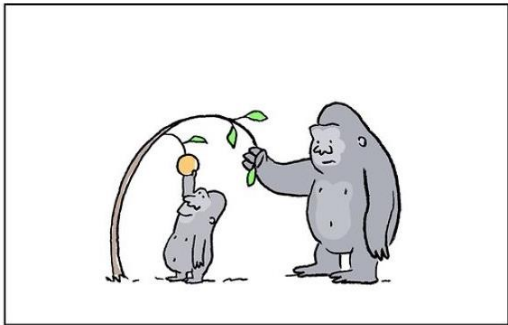

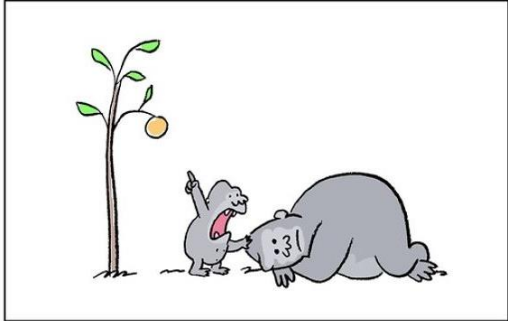

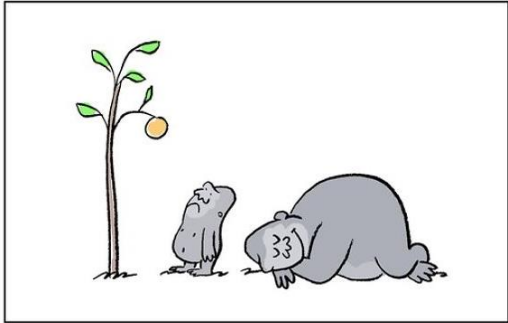

Your fingers have fingertips but your toes don't have toetips, yet you can tiptoe but not tipfinger.
