CHRISTMAS PARTY: Banksia Beach, 01/12/18

Written by Jayne Pritchard, photos by Kim Castle

We had a truly lovely Christmas Party at Banksia Beach on Bribie Island. Lunch was a beautiful catered roast, including dessert. We chatted, laughed, listened to music, and went swimming at the beach. Everyone was dressed in their finest Christmas gear and lots of prizes were won by attendees.

Thank you to everyone who attended, and thank you especially to Denise for organising a wonderful day. ☺

MONEY PUZZLES

- How much money would you have if you took one fifth of one half of one seventh of 70 cents?
- Sasha has two coins in her pocket. At least one of the coins is a dime. She knows that the other coin is either a dime or a nickel. What are the chances that both coins are dimes?
- Would you rather have a job that pays you \$2,500 for 20 days work, or a job where you are paid 1 cent on the first day, 2 cents on the second day, 4 cents on the third day, 8 cents on the fourth day, and so on for 20 days?
- Andy, Brenda, and Curt compared the amount of change each had in their backpacks. They learned that Andy and Brenda together had 12 cents, Brenda and Curt together had 18 cents, and Andy and Curt together had 10 cents. Who had the least amount of money, and how much did that person have?
- A parent has two children who want bubble gum from a penny gumball machine. The children want the same colour gum. There are three different coloured gumballs – red, green, and yellow. How many pennies will the parent have to put into the gumball machine to make sure that the children get gumballs of the same colour?

JUST FOR LAUGHS

1. Today, at the bank, an old lady asked me to help check her balance. So I pushed her over.
2. I bought some shoes from a drug dealer. I don't know what he laced them with, but I've been tripping all day.
3. I told my girlfriend she drew her eyebrows too high. She seemed surprised.
4. My dog used to chase people on a bike a lot. It got so bad, I had to take his bike away.
5. I'm so good at sleeping. I can do it with my eyes closed.
6. My boss told me to have a good day, so I went home.
7. Why is Peter Pan always flying? He Neverlands.
8. A woman walks into a library and asks if they have any books about paranoia. The librarian says, "They're right behind you!"
9. The other day, my wife asked me to pass her lipstick, but I accidentally passed her a glue stick. She still isn't talking to me.
10. When you look really closely, all mirrors look like eyeballs.
