MARCH RUN: Kumbartcho Sanctuary, 17/03/19

Organised by Robert Wruck, written by Your Correspondent, photos by Jayne Pritchard

Well, let me tell you members who did not make the run to Kumbartcho on the 17th of March – you missed a truly fantastic run! Robert Wruck and his partner had devised an extremely interesting and picturesque run which took many of us along roads we hadn't even heard of. But I'm getting ahead of myself here so let me start at the beginning.

A lovely, if a little chilly morning saw the stalwarts at the usual meeting place talking...what else? Anyway, a fairly easy start taking us to Bellmere Rd, and then via Old North Rd to the D'agular Highway and on through Bracalba to the Mt Mee Rd. Then it started to get interesting, the run through Scrub Creek to Dayboro runs alongside the D'agular National park, with some great views on both sides. Though Dayboro to Henry Bradley Park – our morning tea stop.

Suitably refreshed, relieved and rehydrated our merry band headed up Mount Samson Rd through Kobble Creek and Samsonvale, passing some very expensive real estate (with spectacular views when the fog cleared) skirting Lake Samsonvale involving more winding roads with breathtaking vistas all along the way.

We used Clear Mountain Rd to get into Eatons Crossing Road, another picturesque tour that continued to impress us all with the rural scenery so close to the city. About halfway along Eatons Crossing Rd we detoured off into Drapers Rd from Albion and Church Roads, almost at our destination Kumbartcho off Bunya Rd. Once there, we made ourselves comfortable in the relative tranquillity of this lovely oasis in the middle of suburbia.

We had our meeting, lunch, and spent the rest of the time exploring this haven for our native flora and fauna, with many sightings of wonderful species in their natural habitat – including snakes!

Many thanks and congratulations to Robert Wruck and Karen for a fantastic and enjoyable run – much appreciated by those who made the effort to come along. I know I speak for all of us when I say we are really looking forward to your next adventure Robert!!

APRIL RUN: Baroon Pocket Dam, 21/04/18

Organised by Alex Gallacher, written by Julie Walters, photos from Google

Well here I go again with the report. I didn't win the raffle but the member that did only joined the run near the end.

We met at the usual spot in Caboolture and Stan and Jenny were in their Triumph which I hadn't seen. A small group of only 7 cars were assembled. We took off via Morayfield Road and to the left of the showground under the D'Aguilar overpass and took the back roads through the country to the rest area at Glass House Mountain. There is also a council native plant nursery here. Jeff and Cathy Trevan met us here. On looking around I noticed there were 3 tables under the shelter and we had split into 3 groups. After a lengthy morning tea break we continued on our way heading up towards Landsborough but with a twist.

When we got to Beerwah we turned left and then right onto Old Landsborough Rd which takes you along the left side of the railway line. We then headed up the mountain to Maleny where Geoff Norris and Chris joined us and onto the road to the Baroon Pocket Dam. Alex had picked a shelter near the toilets which also had a BBQ, which Bob and Doug made good use of.

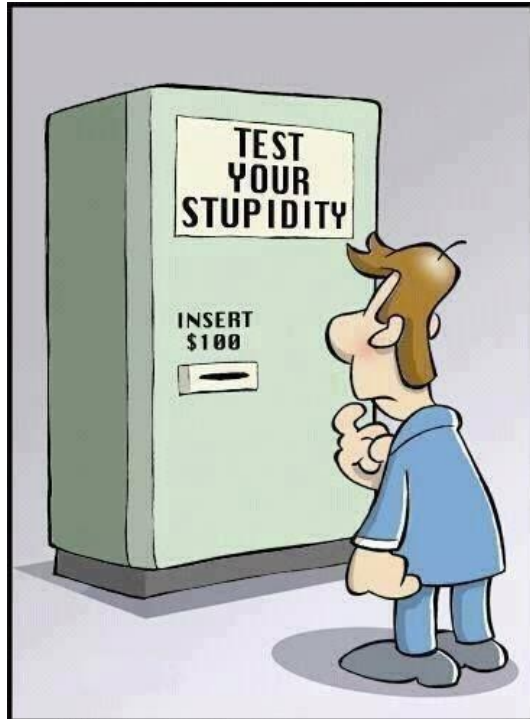

The lucky run tickets were draw and also the raffle. Geoff won the 1st prize in the raffle and there were 3 more draws for the minor prizes. We left fairly early to head home and a few were walking down to the water's edge for a look.

A very enjoyable run, thanks to Alex Gallacher and thanks to Jenny Valance for stepping in at the last minute to do the raffle.

Julie.
