JULY RUN: Buderim Lions Park, 21/07/19

Organised by Heidi Gallacher, written by Alex Gallacher, photos by Google

Well members, it has fallen again to your correspondent to write a run report – this time for a “first-time” run organizer, our erstwhile Secretary Heidi.

Anyway a very interesting route was specified for those who arrived at the allotted starting point as usual, and as usual it was the usual mob who attend most runs. Taking off we ventured down King St to Williams Rd then followed it through Upper Caboolture and a series of roads skirting parts of Elimbah, and the Wamuran Nature Refuge. Interesting country, not seen on previous runs.

Continuing on a more familiar route we took Beerburrum Rd and turned off at the Beerburrum Woodford Rd to travel alongside the Glasshouse Mountains National Park, to Old Gympie Rd. Still within sight of Mt Tibrogargan we headed towards Beerwah – don't you find it interesting all the areas around here start with “BEER”? Maybe that's how all the exploration started – but I digress.

Still traversing bits of the Glasshouse Mountains, we turned towards Peachester at the Kilcoy –Beerwah Rd and through some great scenery on Bald Knob Rd to Landsborough Peace Park, our morning tea stop. A great spot, undercover, plenty of seats, nice toilets, and even some sweet treats for morning tea.

Suitably fed and de-watered, off we went and explored Tunnel Ridge Rd, with Ewen Maddock Dam on one side, and Mooloolah Forest Reserve on the other – very picturesque. Continuing on and through Eudlo town, we needed to follow the runs sheets carefully (or the car in front!) so we didn't get lost. Onward through parts of Palmwoods, Forest Glen, and Kunda Park, along roads too numerous to mention, interesting nature reserves and parks, towards Buderim and our Lunch stop at Buderim Lions Park.

Another great stop with clean BBQ's and undercover seating where we enjoyed our sausages, and other bits for lunch. For a first attempt at a run Heidi is to be congratulated for a thoughtful route, through some great scenery and towns with terrific stops along the way. Just shows what can be done with a little thought and some good directions.

Well done Heidi.

AUGUST RUN: Linville Pub, 18/08/19

Organised by Bob Pritchard, written by Matthew Sinagra, photos by Jayne Pritchard

With the sun shining and cars ready, we had a moderate turn out at the starting location of Centenary Lakes with eager participants. The start of the run was a leisurely drive to Kilcoy, where we attended Jenny and Stan's workshop. When we arrived, we were surprised with a fantastic spread of tables laden with delicious treats (thank you so much Jenny).

This stop gave us an opportunity checkout some of the interesting history of the buildings on the main strip of Kilcoy, as well as doing what NDSCC club members do best and having a chinwag. It was fantastic to see the all the cars lined up on the street.

Finally it was time to take our leave and head off to our final destination of the day, Linville Pub. The drive out to Linville along the D'Aguilar is always a pleasure, with rolling green grass hills and bush land. Once we arrived, it was fantastic to see not much had changed with the old pub, even though it has changed owners. We also took the opportunity to check out the old train opposite the pub, which is looking even more decrepit since we last saw it.

Once we all sat down we got to the most important part of the day, lunch. Even though it look a while for our order to get to Jayne and I, it was well worth the wait.

Thanks President Bob for a great run.
