# JULY RUN: Wivenhoe Dam, 19/07/20

*Organised by Karen and Robert Wruck, written by Julie Walters, photos by Bob Pritchard*

It's great to be out and about again for our first run since the start of all the madness. As you can guess, I won the lucky draw and had to do this report.

We met at the meeting place in Caboolture with a fairly good roll up for the time, but still the same old ones. The weather was lovely and not so cold, especially in the sun. We headed off via the back way onto King street heading to Kilcoy. Ron and I took a wrong turn but realised our mistake and turned around but Alex was following and kept going, and turned up about half an hour later.

We all stopped for morning tea and our first meeting since March at the Aston park just as you come into Kilcoy and met up with more members. After a good chinwag we decided to head off towards Wivenhoe Dam. Heidi and Alex left us here to attend to family affairs.

We had to make a pit stop at Harlem and lost site of the rest of the members but it was a nice drive through Esk.

Lots and lots of bikes on the road taking advantage of the bit extra freedom and glad to be out for a ride.

The drive seemed to take forever but we finally got there and it was packed. Out with the good old Subway for lunch and a cuppa. Nobody wanted to go home.

We finally left heading to the gateway but WE missed the first turnoff to the airport, then we missed the next one to the Northern Suburbs and ended up going through Mount Gravatt before finally getting on the M1 heading for home.

**A great day out, thanks to Rob and Karen.**

## AUGUST RUN: Pirate Park, 16/08/20

*Organised by Bob Pritchard, written by Matt Sinagra, photos by Jayne Pritchard*

Emerging from our covid cave, it was the first chance for a sunshine filled albeit moderately windy day out and about. The day started off at the regular starting point, Centenary Lakes, where there was a great turnout and everyone was able to enjoy a pre-run chinwag.

When the clock struck 9:00am it was time to go! Fifteen minutes later everybody was in their car heading to our sole destination for this run, Pirate Park on Bribie Island. The drive to Bribie was relaxing with the sun shining and surprisingly not a lot of traffic over to the island.

When we arrived I was blown away... by the wind, but it didn't take too long for the wind to settle down. It was a beautiful location overlooking the water and the glasshouse mountains. Despite the cold weather there were a few brave people swimming nearby. The water was crystal clear so you can hardly blame them!

As soon I began to peel the glad wrap off my sandwich, I as well as other members heard the sweet chimes of an ice-cream truck in the not-so-far distance.

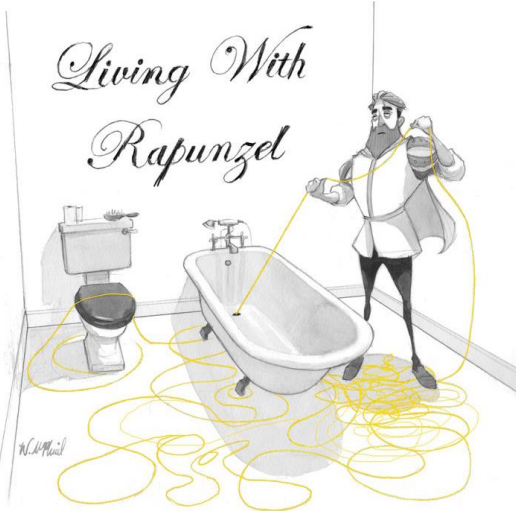

Soon we swarmed the truck to get our sweet treats, some of us having our dessert before even touching out lunch. This just goes to show that it's never too cold for an ice cream! 😊

Once we had sufficiently stretched our jaws and caught up with everyone, it was time to head home.

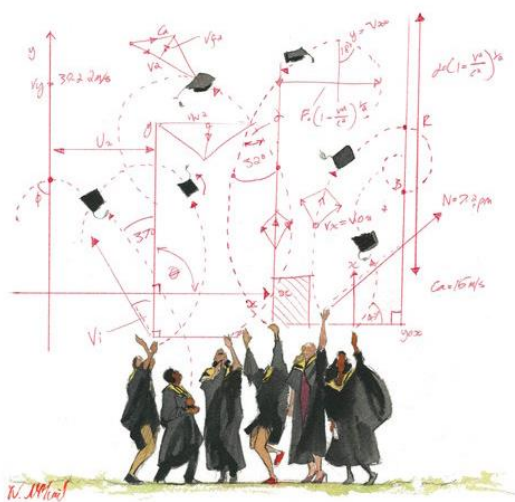

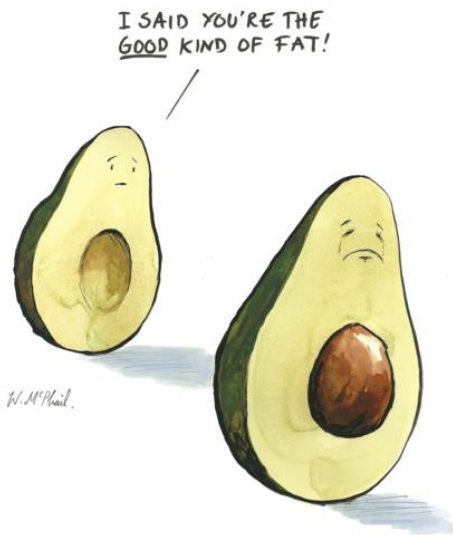

**Thanks to our president for organising another excellent club run!**
