ATTENDEES: As per attendance book.

CHAIR'S REPORT: Important things to understand as a member of this club - we are a legal incorporated entity. We have to be otherwise we can't get cheap rego and insurance. The problem is by law we have to have at least 4 meetings a year; a president, vice president, secretary, and treasurer. We need new blood; give thought to taking a role. Second thing is runs. We just keep going to the same places because the same people doing the runs; in previous years - just give us a destination. The only requirement is toilets.

The AGM minutes from last year as remembered by members who were present are passed as an acclamation.

TREASURER'S REPORT: Report sent via email.

GENERAL BUSINESS:

Thanks to our awesome members for putting their hands up to prepare runs. We are extremely grateful.

The Christmas Party will be held at 12pm on Sunday 21st November 2021 at the Bribie waterfront with caterers.

Julie is looking into NDSCC name badges for members.

There was a suggestion of putting up the Annual Membership Fee – this was not accepted.

We previously decided that profits from our July raffle would go to a charity but this didn't occur this year due to COVID-19 lockdowns. Julie moved to donate \$500 to a charity of our choice. Members should bring suggestions for charities to our next meeting run.

RAFFLE WINNERS:

- First prize: Anne Lindridge
- Second prize: Bob Pritchard
- Third prize: Robert Wruck

The meeting was closed at 11:53am. Time for lunch!

OCTOBER RUN: Maiala, 17/10/21

Organised by Karen and Robert Wruck, text and photos from Google

Regarded as one of the best rainforest bushwalks north of Brisbane, Maiala is set in the beautiful surrounds of Mount Glorious. Perfect for beginners, families, or those just want to take a stroll among nature, Maiala is teeming with beautiful flora and fauna as well as educational plaques dotted along the track. Enjoy beautiful picnic areas with toilet facilities. Maiala was the first area on the D'Aguilar Range to become a national park. It now forms part of D'Aguilar National Park. In the 1860s Maiala was once a flourishing sawmill site. Some of the machinery and remnant hoop-pine plantation remain. Feel the tingling chill of rainforest shade as you wander along one of five walking tracks—the Rainforest circuit, Cypress Grove track, Western Window track, Greenes Falls track and Westside track all accessible from this site.
