## MARCH RUN: Mapleton Lilyponds, 20/03/22

*Organised by Kim and Carol Bowers, written by Sunshine Coast Point, photos from Google*

This tranquil green area offers shaded picnic areas, BBQs, a playground, spacious fields, outdoor gym equipment, and a skate park. The lilyponds, which were once a swamp, are the park's highlight. Some bird species that live in the Mapleton Lilyponds include the Pacific Black Duck, Australasian Grebe, Dusky Moorhen, Masked Lapwing, and Australasian Swamphen.

## APRIL RUN: Pit Stop Café, 10/04/22

*Organised by Bob Pritchard, written by Denise Douglas, photos by Denise Douglas*

We left the Lakes and had Morning tea just out of Woodford then continued back to the highway and through the beautiful winding road up to the Pit Stop Café.

They have done the place up really nicely – but parking continues to be a continual problem for them – there just is not enough space.

All members had a lovely lunch that was subsidised by the club at \$15.00 per head and we just paid the difference. From my point of view it was lovely to catch up with the attending members as we have already missed a few runs. Looking forward to the next one.

The raffle raised \$65.00 – first prize was won by Denise Larkin and 2<sup>nd</sup> prize by Frank Tenney.

All in all a lovely day – thanks Bob!
