January Car Run

Car Run Organised by Robert and Karen Wruck on 15/1/2023 – **Written by Kim Castle**

Well it was the first run for the year and I think we would all agree it was a great one... well for most of us but we will get to that.

Starting at our usual spot we left turning left onto King St and then left onto Bellmere Rd. We basically kept turning left for a while and went through some very pretty forest and over waterways. Now it was around here somewhere (I think we were on Forest Hills Drive but honestly I was lost) while I was following Dee and Graeme up a hill when we found ourselves suddenly stopping instead. Craig's red thing decided it didn't want to play anymore and he told us the fuel pump was overheating. He threw some ice over it but nothing really happened so he thought it might be out of fuel.

By now everyone else had pissed off so I can't tell you about the rest of the trip to morning tea. Craig jumped in Dee and Graeme's car and I followed them to a fuel station. As we pulled into the fuel station I saw the FB? Stopped and then Alex and the FB came through the station to get onto Oakey Flat Rd. Apparently they were lost ha-ha.

Dee @ Graeme took Craig back to the Chev? And I carried on to morning tea. My journey was simple as I followed Oakey Flat all the way to Narangba and turned left onto Mackie Rd and Right onto Burpengary Rd and Left onto McPhail Rd which brought me down to Old Gympie Rd. For some reason the maps wouldn't tell me where the park was and it took me instead to North Lakes but after some swearing and cursing I found the right place and Anzac Ave down to Boardman Rd and to the meeting place from there. Completely the wrong way but we all got there different ways. Even Dee and Graeme made it for about 20 mins before we left to the next destination. The Chev didn't make it and they decided to head home as did the FB because the brakes were dragging. She's been sitting for a while 😊

For those who were left we all followed each other from there and basically just followed the ocean Rd around going through the different suburbs of Redcliffe. The Rd changes names so many times no one knows where they are. We only lost Stan and Jen briefly when they took a wrong turn but in all fairness it wasn't anyone's fault. It used to be a roundabout where they turned off Norris Rd and not traffic lights but they turned that Holden around and were on their merry way again.

We followed Linkfield Rd up to Old North Rd and took a Left onto Kremzow Rd and after a few turns through the back of Brendale we found ourselves at Bullockys Rest. We have been here before but we came in from the other end last time and it is such a beautiful spot. The breeze was lovely and the company fantastic. We had a great day and everyone was happy, well they seemed to be anyway. Obviously I won the raffle and scored myself some yummy treats that I will enjoy with a coffee and the opportunity to write this novel for you...

FEBUARY RUN

Written by Jen Valance

Despite being a stinking hot day.. we all left Caboolture and headed out towards Redcliffe peninsula.

John and Denise took what they thought was a wrong turn but was actually the second option of the run.

We kept everyone waiting as we caught up. Haha

Alex, Frank and Stan got separated from main group.(this is always fun though no matter how we get lost). We thought we we'd missed a turn and stopped to get our bearings. Then frank said he knew a way from there. Turns out it was the right way all along.

Everyone enjoyed the run. We had a great location just down from Morgans seafood. We all parked nearby and a lovely area for morning tea under some lovely shady trees.

It was so relaxing that everyone decided it was better to stay where we were rather than fight for parking at Sutton beach so meeting and lunch were here also.

Jeff and Kathy were among first to leave as they had to do their car club trip to Cosco and everyone else left in dribs and drabs as we do.

Thanks to Denise and John for a great run – fortunately it was not too hot near the water and a nice breeze was blowing.

Minutes of Meeting Sunday 19th February 2023

Meeting commenced at 11.15.

Bob Pritchard welcomed everyone and thanked us all for attending today. (see attendance book)

Apologies – Ron and Julie Walters.

President report: Bob thanked everyone for coming today and said it was decided we would stay in our present spot as the likelihood of us getting a park at Sutton beach were not good.

Treasurers Report:

Balance brought forward:	\$8608.68
Income:	\$ 179.00
	<u>\$8787.68</u>
Expenditure:	\$2189.00
Balance:	<u>\$6598.41</u>

Jeff moved that the treasurer report be accepted – 2nd by John Larkin – carried.

Secretary's report: No incoming or outgoing correspondence.

Social Director report: Dee was telling members about the Gaydah weekend away – Friday 20th to 22nd October – Friday, Saturday night leaving Sunday. At the time we said a deposit was not needed but in hindsight a **deposit of \$100** is required if you are attending as this is in good faith that you are coming.

Note that our normal run: Sunday 15th October will still go ahead for members not attending the weekend away – or even if you are attending.

General business:

All members were asked if they had received the minutes from the last meeting (AGM) and general meeting – all had received.

Jeff put forward as a motion that committee members have their own email addresses: ie: treasurer@ndsc.com.au Or president@ndsc.com.au etc etc. Kim 2nd the motion and was carried by all members.

There are a few run changes coming up: Alec to do March Run. April will be Geoff and Cathie, May will be Dee and Graeme.

No new members.

After no further business **meeting ended at 11.35am**

Social Director add on:

So recently Graeme and I went to Gayndah to suss out where we are staying and to see what the roads are like etc.

Happy to report the place we are staying (Colonial motor inn) at Gayndah is absolutely lovely. The manager is wonderful and at this stage he has held all twelve rooms for us. Another reason why we need to know if you are coming.

Each room has a microwave and kettle etc only.

However you can order breakfast from the main office – or the plan is as usual to bring bacon eggs, etc and there is a lovely bbq area .

We thought we could eat out Saturday night at the local pub (we had lunch there on Saturday - best pizza I have ever had – could only eat one slice)!!

Or to save money – we can cook up Friday and Saturday night on the BBQ and just enjoy our own company and have a few wines/vodka's/beers or six.

I would encourage you all to look at the website to see just what a lovely place this is.

The IGA is just across the road within walking distance if you want to get stuff up there.

As you know the Saturday run will be our run to Bundy to the Distillery and also to the Bundaburg soft drink site to see how they do their ginger beer etc.

All in all this should be a great day.

A reminder to start collecting silly and not so silly gifts for prizes.

So again, please let me know that you will be attending and pay your deposit as soon as possible please so I can give final numbers.

Also – if you have any unwanted gifts laying around – please bring to use as raffle prizes for the runs. Thanks everyone.

2022 Xmas Party

A big thank you to all of you who attended the 2022 Xmas party along the waterfront at bribie .

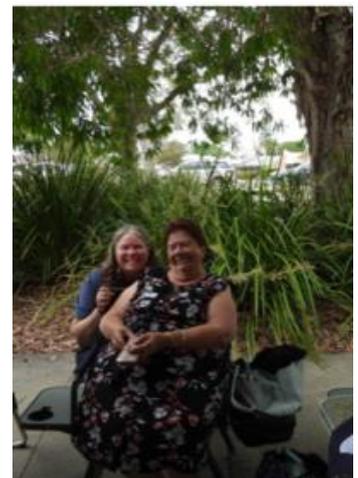

Another lovely day – and even though we had to sit through a very windy and ferocious storm – we managed to all have a good time.

A hearty congratulations to Ron and Julie for obtaining lifetime membership. Ron and Julie were instrumental in putting this club together along with a few others and we have now gone from strength to strength with a wonderful bunch of people.

After a great lunch catered by the great caboolture caterine girls we all headed off around 2ish to head home.

Thanks to all of you for your attendance.
