ABOUT MILK & MOCHA

Milk and Mocha was launched in October 2022 with a vision to deliver a Coffee and Dessert shop with the community at its heart.

It prides itself on using locally sourced products from businesses around the Kenilworth area.

A family run business, with a love of Coffee and Gelato coming from the many years the family lived in the Lombardy region of Italy, in a small town called Polaveno.

Milk and Mocha source their Gelato from a Coventry based Sicilian family who have been making Gelato since 1966.

Milk and Mocha cater for parties, events and private functions all revolving around the sense of community inspired by the values of the family with inspiration taken from the small Italian town and their Pakistani Heritage.
