CULTIVATING FUTURE GENERATIONS SINCE 1962

SEPTEMBER 3RD-7TH

**PREPARING THE GROUND
AND PLANTING THE SEEDS**
 Firmly planted in the Luzerne County Fair's mission is preparation for future generations. Each seed is the possibility of a future blossom. The seeds we sow today through our Community Clubs, Volunteers, and Junior Fair Board bring growth for tomorrow.

FEEDING THE SOIL
 The Luzerne County Fair is a non-profit run by Community Clubs such as the Lions, Kiwanis, Rotary, and so many more. These clubs and our generous sponsors allow the fair to grow and blossom each year to continue tradition.

NURTURING THE SPROUT
 Through graciously giving monetarily and of time and effort, the community clubs can then support our local community members with hot meals, school supplies, disaster relief, and more.

TENDING THE SEEDLINGS
 With generosity and joy, our "Green Team" volunteers serve and enrich our local community to "Cultivate Future Generations". What we do today is important for future harvests.

CELEBRATING THE HARVEST
 The Luzerne County Fair was established in 1962. The vision, hard work, and dedication of our clubs, fair board, and volunteers is what sustains us today and will for generations to come.
