

ABOUT THE EVENT:

The Luzerne County Fair is proud to host: Hometown Heroes: America 250 Celebration—a special event that brings our community together to honor the people who make a difference every day.

As our nation marks 250 years of independence, this celebration honors not only our country's founding, but the enduring spirit of service found right here at home. From first responders and veterans to educators, healthcare professionals, and community leaders, this event recognizes the heroes whose commitment helps shape the future.

It is an honor to stand alongside this community in celebrating a legacy of freedom, courage, and unity—and in investing in the next chapter of the American story.

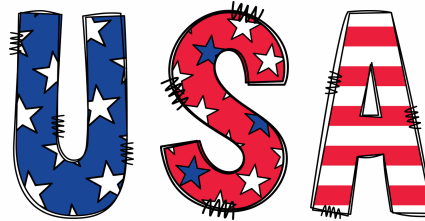

This event is FREE ENTRY to the public and will feature all of the Fourth of July staples! From food vendors, live music, adult beverages, and the best fireworks show you will ever see, we will have it all!

The event will also offer activities for children and adults. From bounce houses, facepainting, cornhole, and more - get ready for a spectacular Fourth of July Celebration!

CELEBRATING AMERICA 250

CELEBRATING 250 YEARS OF FREEDOM.
