

APRIL NEWSLETTER

Week of the Young Child

We are excited to celebrate the Week of the Young Child—a special week dedicated to honoring young children, their families, and the importance of early childhood education!

Throughout the week, your child will participate in fun, engaging, and meaningful activities that support learning through play, creativity, and connection. Each day will highlight a different theme:

Music Monday – Singing, dancing, and exploring rhythm

Tasty Tuesday – Healthy snacks and hands-on cooking activities

Work Together Wednesday – Teamwork and building activities

Artsy Thursday – Creative art projects and self-expression

Family Friday – Celebrating families and our school community

This week is all about recognizing the joy of early learning and the important role families and teachers play in a child's growth and development.

Thank you for being such an important part of our school community and for partnering with us in your child's learning journey!
