

COVID-19 EXPOSURE/QUARANTINE GUIDELINES

Thank you to all of our families for your diligence in staying healthy and safe! As we are in the holiday, and possible travel time of the year, we want to be clear of the protocol we will follow:

- Direct exposure to someone testing positive to COVID-19: 14-day quarantine
- Indirect/3rd party exposure: 5-day quarantine
- Travel outside of California: 5-day quarantine

We pray that all of our families continue to stay safe. Please continue to take your temperature and wash your hands.
