2020-2021 School Year Reflection & Thanks

With May approaching, and as we reflect on this unprecedented school year, it is amazing what our school community has accomplished to ensure our students maintained access their education and spiritual development here at WVCA. If you remember, our first two months of school were taught through Cougar Club onsite distancing learning in partnership with WVCA. We are so blessed to have had the resources, parent support, teacher commitment, and the licensed ability to provide a unique delivery of education, even in the face of a pandemic.

Cougar Club staff want to take this moment of reflection to thank you for your trust in our program, and for the amazing blessing to partner with you in the care and education of our students. It is your children who make Cougar Club the fun and engaging environment is has become.

Have a wonderful summer, and we hope to see you at camp. Otherwise, make sure to submit your application packet for Cougar Club Fall 2021 available on our website at <http://wvcapreschool.com> under the "Cougar Club" tab for Before and After School Care.
