WVCA Cougar Club May 2022

Last Month of School

We are entering our last month of the 2021-2022 school year. As a Cougar Club family, your before and after school enrollment officially concludes on May 27, on the last day of school. If you would like to re-enroll for Cougar Club Fall 2022-2023, please complete the attached

Admissions Agreement and submit it at least a week before school, and sooner to ensure you avoid the waitlist.

If you are enrolled for Summer Camp, and selected Fall 2022 school year on your Admissions Agreement, you are all set, and have no further action to take. Confirmations for Fall will go out this summer.

May 27 is also a Minimum-Day. If you are an AM Cougar Club family, please make sure to pick your child-up at early release times.

Thank you all for a wonderful year, and for your partnership. We hope to see you for Summer Cougar Camp!

If you have a car, or
something with wheels,
we invite you to join us!
