PRESCHOOL - 8TH

## **Cougar Club 2021**

### *Cougar Club This Month*

We had a smooth start to school, and are grateful to all of our families for following our drop-off and pick-up procedures for the care and safety of your children. Cougar Club has it's first waitlist in recent memory, and are also grateful to all of our returning families for taking advantage of our priority re-enrollment to ensure you have the care you need as a family of WVCA.

Our newsletters have hot topics, monthly "happenings", special events, and general details that we want to share and partner with you for the best Cougar Club experience possible. Please take a few minutes each month to review the newsletter and be informed.

**ProCare** is where we will continue to provide accident, injury, and general individual reports regarding your student. An additional parent invitation was sent for those who have not made an account yet.

### **Volleyball & Flag Football Season**

A very important aspect of Cougar Club is offer our students an authentic elementary school experience. One of the ways we provide that is through attending after school sports games to cheer on our peers, and show our school spirit. We try to balance homework, interest, and age groups for when, how often, and how long we will participate. The following dates are potential days we will attend these games this month. Please check ProCare messages and/or the Cougar Club door for our location after school on these days.

**Home Volleyball Games:** OCT 5, OCT 19, OCT 21

**Flag Football Games:** OCT 5, OCT 19, OCT 21

#### *Extreme Weather Day Schedules*

We are entering that time of year where one day we can see record heat, and the next a rainy day. Cougar Club attempts to spend the majority of our day outdoors as one of the many mitigating measures to prevent illness amongst our students. On days where we have high heat or rain, we will start homework in two groups right after snack. Your student will either be in the cafeteria or the Cougar Room.

## ***Please Keep Toys at Home***

Cougar Club provides every student time outside to play, as well as, more free play time in the afternoon after homework club. We have a variety of materials, board games, books, and toys in Cougar Room for our students. Please keep home toys at home to prevent students being distracted during the school day in their classrooms.

Home toys are welcome during Full Day camps, but remember our policy that toys are the student's responsibility, and Cougar Club does not take responsibility for any lost or damaged toys.

### **We Need your Help!**

We are preparing for our first school closure camp NOV 22-24, and need to know how many Cougar Club students will be attending.

Please complete the survey monkey in the email of this month's newsletter so we can be prepared for a great camp!

Full Day School Year Camps are included in the AM and PM Program Option, and open to other Cougar Clubbers for an additional cost of \$105

**You must email your intent to attend to  
msmith@wvcapreschool.com if it is not included in your tuition.  
Enrollment is not guaranteed until an email confirmation has  
been provided. Space is limited.**
