### WVCA Preschool In December

The Christmas Season is a special time at WVCA Preschool. We look forward to the blessing of reflecting on the true meaning of the season. We know as teachers of young children that is often difficult to encourage our children to look beyond the excitement of the presents we'll be receiving Christmas morning, but to look deeper into the true gift of Christmas, Jesus. This month through our Bible curriculum, activities, and books, we will be focusing on the concept of *Giving*.

Our hope in spending time on learning about the blessing of *Giving*, that we also begin to recognize our daily blessings, and the opportunity of sharing God's love with others by humbly offering what we can to those in need, to those we love, and to all of our brothers and sisters in Christ as a way to glorify our Lord in Heaven.

Please partner with us in finding ways within your own family or community to give the gift of giving in some shape or form, and practice tangible ways your child is a critical part of our Season of Giving.

***In the same way, let your light shine before others, that they may see your good deeds and glorify your Father in heaven."* Matthew 5:16**
