WVCA Preschool

Graduation Car Parade

Friday, May 28 @ 6:00 PM

Parade Guidelines

For the safety of our students and families, please continue to follow all safety laws throughout the event.

We encourage you to decorate your car with your student's name, balloons, etc.

Line-up in a parade circle in the WVCA Parking-lot beginning at 5:45 PM.

Beginning at 6:00 PM we will have each car stop at the WVCA Office where you will see the Graduation Décor. Graduates will get out of the car to receive their certificate, take a picture with their teacher, and get back into the car. **Please continue to circle around until each graduate has received their diploma one at a time.**

We will have one more celebratory loop around the parking-lot to cheer and celebrate our graduates.
