## Cougar Club March 2021

### Cougar Club & Read Across America

March 2nd marks *Read Across America Day* in honor of Dr. Seuss's birthday and his contributions to early elementary readers, and children's literature. His works are infamous for site words, rhyme, and inviting children to the joys of reading.

All month long our Cougar Club students will have access to Dr. Seuss Books, art, crafts, and activities. Friday movie days will also be Seuss inspired.

We hope the children enjoy their Seussical Activities this month.
