WVCA Preschool is a year round school that operates with a beginning and end to each school year. The re-enrollment process is a priority registration period for currently enrolled families to secure placement before we begin to accept applications for the following year. It also provides us an annual opportunity to review our Admissions Agreement, Parent Handbook Policies, and to transition students aging out of their current program placements. **New placements begin June 1, 2021.**

Your child's placement is not guaranteed until the completed re-enrollment packet has been submitted. Please make sure to take advantage of the priority registration period to avoid the re-enrollment fee of \$100 beginning MARCH 26 for returning families, and to ensure placement. We will begin to accept applications from the public beginning MARCH 26 for the 2021-2022 school year.

Please find the corresponding program option that applies to you, and carefully review, complete and submit all supporting documents:

Preschool to Pre-K (children turning 4 on or before SEP 1, 2021)

Your child is eligible for Kindergarten in the following year, and is ready to transition to our Pre-Kindergarten Program that is designed specifically for the experienced preschooler's successful transition to Kindergarten.

- WVCA Preschool 2021-2022 Fee Schedule & Admissions Agreement
- New Emergency Information Form
- 2021-2022 Parent Handbook & COVID-19 Policies Receipt
- Current Well Exam dated in the last calendar year (if you have not done so already)
- Registration Fee of \$100 Waived through March 25, 2021 for returning students.

Preschool to Preschool (children between 2-4/not eligible for K or Pre-K)

Your child is in the most appropriate placement for their current age and development. They will continue their current placement, and build upon the skills they have acquired through differentiated teaching practices, and have the opportunity to be a leader in their classroom setting.
