## WVCA COUGAR SUMMER CAMP 2024

WVCA Cougar Club is a licensed school age child care program committed to providing our students quality care with an authentic summer camp experience. This welcome letter outlines important details that will ensure you have an informed and amazing summer with us!

### PARENT COMMUNICATION: PROCARE

WVCA Cougar Club operates outside of school office hours, and utilizes ProCare as our primary form of communication with families. Downloading the application is a requirement of enrollment. The ProCare App provides a direct communication link between families and your Summer Camp staff for general information, updates, photos, illness, accident, and injury reporting.

**At least one parent or guardian is required to have ProCare account.**

New Families will get an email invitation to download the app, and create their child's profile. Returning families will see their student in the app as usual.

### SUMMER CAMP SHIRT ORDERS

Summer Camp Shirts are available to order through **May 10**. Summer Camp Shirts are worn on Field Trips, and Friday's for Summer Camp Spirit. WVCA Students have built their collection of Summer Camp Shirts, and are allowed for Spirit Wear during the School Year.

For the safety of all campers, everyone is required to be in direct supervision of an adult at all times. Campers must be signed-in and -out of the program by a supervising adult 18 years and older who are on the Emergency Contact List, as required by Community Care Licensing.

**Always** drop your camper in the care of a WVCA Cougar Club Staff Member with a verbal and visual acknowledgment they've been received, and **always** provide a visual and verbal acknowledgement to WVCA Cougar Club staff that you have signed your child-out, and are picking them up for the day.

# WHAT TO BRING EVERY DAY:

Campers will need to bring the following items labeled with their name daily in a zipped bag:

1. Water Bottle
2. Blanket or Towel used for Rest Period Set-up
3. Book for Read Period

We teach responsibility and organization. Please help students be responsible for their items by placing them in the correct locations daily. Don't' bring more than they can manage.
